**MASTER PLAN – PRESENTATION TOPICS**

Should your firm be short listed and invited to make a presentation for the above referenced project, below is a list of topics that you are requested to address in your presentation:

- Demonstrate your team's experience with similar projects.
- Describe your approach and timing to this project considering the schedule outlined, the scope of work, and interaction with winter season.
- Provide your experience with Traffic Monitoring, Modeling and Design as it relates to traffic calming.
- Demonstrate how you will complete the project.

**PLEASE DIRECT ANY QUESTIONS REGARDING  
THE ABOVE TO BOB FRANCESCHINI,  
PURCHASING MANAGER, AT 239-319-2821 OR
