PAINT & SIP

Revolutionizing Entertainment

Springing up in communities across the nation is a new and inventive spot that is bringing neighborhood locals together to share wine, socialize, and create art. Pinot's Palette, a pioneer and leader in the "Paint & Sip" industry, has put a spin on the traditional night out by creating a social experience that is delivered in the form of a 2 to 3 hour painting event where locals enjoy their favorite cocktails and snacks while tapping into their creative powers. Since opening the first studio in 2009, Pinot's Palette has become the most innovative and creative social past-time focused on creating bonds and bringing culture to communities.

A no-experience-required art event that preaches fun and not precision, Pinot's Palette, invites locals who are interested in deepening interpersonal relationships and celebrating creativity, to join in on the social experience. Whether guests want to de-stress, connect with friends or make new ones, Pinot's Palette is the perfect night out event.

THE EXPERIENCE

The Pinot's Palette Difference

Pinot's Palette is a leader in paint and sip because of the company's emphasis on innovation. At the end of the day, Pinot's Palette exists to offer its customers a fun and entertaining night out. Franchise partners in the Pinot's Palette network have the confidence that a night out at their studio is better than what can be found anywhere else in their market. Small details in each studio significantly enhance the customer experience to retain business: glass stem ware, cubbies to hold belongings safely away from paint, commercial-grade stools that offer comfort and support during a 2 or 3 hour painting session. Pinot's Palette has thought of everything to make certain each guest is treated to an upscale, entertaining event.

To keep customers coming back, Pinot's Palette offers a loyalty program that rewards frequent attendance to the studio. By taking care of the customers both in the studio and through loyalty perks, Pinot's Palette is able to retain customers and build new relationships through word-of-mouth.
