

It has been my pleasure to have been involved in advocating for quality of life issues for our community for the last 15 years, and especially to have led the incorporation effort of Estero in 2014.

I am truly honored to have served as the first mayor of Estero and to continue to serve our special city today.

I have asked to be here today to announce my resignation from the village of Estero council,----- as I must do -----in accordance with the Florida Resign to Run law.

I am doing this in order to run for the Lee County -----Board of County Commissioner District 3.

My resignation is effective November 17, 2020

I hope this announcement will encourage people to step forward and consider running for this seat. I am sure they will find it interesting and rewarding, as I have.

It has truly been an honor to help establish this city and to represent the citizens of our beautiful and great community.

Thank you all for your support
