

RESOLUTION NO. 19-XXX

A RESOLUTION OF (INSERT: TOWN/VILLAGE/CITY), FLORIDA, ESTABLISHING A PROPERTY ASSESSED CLEAN ENERGY (PACE) PROGRAM WITHIN THE CORPORATE LIMITS OF (INSERT: TOWN/VILLAGE/CITY); APPROVING INTERLOCAL AGREEMENTS WITH THE FLORIDA GREEN FINANCE AUTHORITY, THE FLORIDA RESILIENCY AND ENERGY DISTRICT AND THE FLORIDA PACE FUNDING AGENCY AND THE GREEN CORRIDOR PACE DSITRICT; TO WHICH THE ENTITIES WILL ADMINISTER VOLUNTARY NON-AD VALOREM FINANCING OF QUALIFING CONSERVATION AND ENERGY EFFICIENCY, RENEWABLE ENERGY AND WIND RESISTANCE IMPROVEMENTS; AUTHORIZING THE MAYOR TO EXECUTE SAID AGREEMENTS; AND PROVIDING FOR IMPLEMENTING ADMINISTRATIVE ACTIONS, SCRIVENER'S ERRORS, CONFLICTS, SEVERABILITY, AND EFFECTIVE DATE.

WHEREAS, Section 163.08, *Florida Statutes* (the "Supplemental Act"), authorizes counties, municipalities and certain separate Local Government entities to establish and administer financing Programs pursuant to which owners of real property may obtain funding for energy conservation and efficiency, renewable energy and wind resistance improvements (as referred to therein, the "Qualifying Improvements"), and repay such funding through voluntary special assessments, sometimes referred to as non-ad valorem assessments ("Special Assessments"), levied upon the improved property pursuant to financing agreements between the owner thereof and the local government (the "Financing Agreements"); and

WHEREAS, the Florida Green Finance Authority, the Green Corridor PACE District, the Florida Resiliency and Energy District and the Florida PACE Funding Agency (individually the "Agency", collectively the "Agencies") are currently three (4) separate legal entities and units of local government within the State of Florida which were established by separate interlocal agreements for the express purpose of providing scalable and uniform platform to facilitate the financing of Qualifying Improvements throughout Florida; and

WHEREAS, pursuant to the Supplemental Act or as otherwise provided by law, local governments may enter into a partnership with other local governments for the purpose of providing and financing Qualifying Improvements, and a Qualifying Improvement Program may be administered by a third party for-profit entity or a not for profit organization on behalf of or at the discretion of the local government; and

WHEREAS, the installation of Qualifying Improvements may increase energy efficiency and improve the wind resistance of existing structures within (Insert: Town/Village/City) thereby reducing the burdens from fossil fuel energy production and contributing to the local economy by cost savings to property owners, enhancing property values and increasing job opportunities; and

WHEREAS, the upfront costs of Qualifying Improvements impede installation and existing financing options may be insufficient for property owners to access cost-effective financing for energy-saving or wind-resistance property improvements due to requirements associated with traditional debt or equity financing options; and

WHEREAS, the Agencies have created the financing, levy and collection process to implement PACE Programs and will cooperate with the City, without cost to or assumption of liability by, or demand upon the credit of (Insert: Town/Village/City); and

WHEREAS, (Insert: Town/Village/City) is presently without adequate, currently available and recurring funds to establish a program similar to the Agencies Programs; and recognizes that if it does initiate its own program it may be necessary that it commit significant time, staffing and monetary resources derived from all taxpayers, and that if it were to borrow the moneys necessary for such purpose and secure repayment by the proceeds derived from non-ad valorem assessments it imposes, it will likely face a demand from credit markets for an additional pledge of other City revenues; however as an alternative or supplement to any other program or approach chosen by (Insert: Town/Village/City), the City can concurrently an presently authorize and approve the Agencies to separately make each Agency’s non-exclusive program and funding for Qualified Improvements immediately to property owners and the local economy; and

WHEREAS, (Insert: Town/Village/City) Council deems it to be in the best interest of the citizens and residents of (Insert: Town/Village/City) to authorize the appropriate City officials to execute agreements between the Florida Green Finance Authority, the Florida PACE Funding Agency, The Florida Resiliency and Energy District, and the City in an effort to provide an alternative, supplemental and nonexclusive means to achieve, inter alia, immediate and careful local economic development, commerce and job creation, as well compelling state interest and public purposes described in the Supplemental Act.
