Agenda Item:

Design Review Board Vacancies

Description:

The Design Review Board notice of vacancies was advertised via the *News Press*, the Village website, and posted on the bulletin board at Village Hall, with an application deadline of May 3, 2018. Notices were also mailed to a number of state registered landscape architects, one of which shared the notice via an email newsletter group.

Action Requested:

(1) Determine whether to appoint the two applicants to a term expiring March 31, 2021 or continue the search. (2) Determine how to proceed with filling the state registered landscape architect position.
