

**WORKSHOP ITEM SUMMARY SHEET**  
**VILLAGE COUNCIL MEETING**  
**May 15, 2019**

---

**Agenda Item:**

Website Update Discussion

**Description:**

An update and discussion regarding recent updates made to the Village website, as well as a general timeline for further changes. This discussion will also touch on process improvements, which dovetail with the website changes.

**Financial Impact:**

This presentation is intended to be a recap and discussion, as opposed to a formal proposal. Final quotes for particular services, which could be purchased through this process, have not yet been finalized.
