November 4, 2020

Agenda Item:

Village of Estero Monument Sign Locations

Description:

The Fiscal Year 2020-2021 Village of Estero budget includes funding for the design, permitting and construction of monument signs along US 41 and Three Oaks Parkway. Village Staff will provide a presentation to Council on potential monument sign locations at the north and south ends of US 41 and Three Oaks Parkway. The presentation will provide locations as well as challenges and opportunities at each location. Village Staff is requesting approval of sign locations and direction on the order in which the signs should be completed.

Not included in this review is the possibility of Village identification signage on East Corkscrew and at I-75 and Corkscrew (at Exit 123). Both locations will be developed in the design of landscaping improvements planned in the near future. On east Corkscrew in conjunction with Lee County as part of the landscaping and off-road bike-ped improvements coming after the widening of the street and in the new project (still in development) with the Florida Department of Transportation regarding landscaping improvements coming after the current turn-lane improvement project is complete. Each of these options will be brought to the Village Council for consideration at the appropriate time.
