**Agenda Item:**

Land Development Code

**Description:**

The Land Development Code lays out zoning and other regulations for subdivisions and development of land. Preparing a Code is a very large and complex effort. The Village retained Clarion Associates and Johnson Engineering to assist with development of the Code.

The first portion of the Code (Zoning) was presented at a Council workshop on October 21, 2020. This workshop will focus on remaining chapters of the Code, including site development standards (architecture, landscaping), natural resources and other chapters.

This is the second in a series of workshops and public meetings to be conducted over three months with the Council, Planning and Zoning Board and Design Review Board.

**Financial Impact:**

A Land Development Code is required by the State of Florida. The financial impact includes the cost of consultants to prepare the Code, which was budgeted at \$323,000 for consultants and \$45,000 for legal assistance.
