

CIP Project Summary Broadway Street Lights

CIP Category: Street Lights

Design :	\$	72,300.00
Construction :	\$	760,000.00
Total:	\$	832,300.00

Project Description:

Install street lights along Broadway from Armada Court to Sandy Lane

Project Justification:

There is an existing sidewalk on the south side of Broadway west of US41 and the Bicycle and Pedestrian Master Plan recommends adding a shared used path. Installation of street lights would improve roadway safety and allow bicycles and pedestrians to use the sidewalk and/or shared used path at night.
