Broadway E Shared Use Path

---

CIP Category: Bicycle & Pedestrian

Design :	\$	234,000.00
Construction :	\$	1,666,000.00
Total:	\$	1,900,000.00

Project Description:  
Construct a shared use path and sidewalk along Broadway East from US-41 to Sandy Lane

Project Justification:  
Esteros residents along Broadway (East & West) have limited access to bicycle and pedestrian facilities. The Bicycle and Pedestrian Master Plan recommends the addition of a shared use path along Broadway E and a shared use path along Sandy Lane that will connect these residents to a larger network of bicycle and pedestrian facilities along Via Coconut Point and Corkscrew Road. This project will improve bicycle/pedestrian access and safety.
