Coconut Road Pedestrian Improvements

CIP Category: Bicycle & Pedestrian

Design :	\$	75,000.00
Construction :	\$	177,800.00
Total:	\$	252,800.00

Project Description:

Install a crosswalk for pedestrian access to sidewalk on the south side of the roadway at Old Meadowbrook Blvd and extends the existing sidewalk east of Coconut Shores to their back gate driveway located in on the FPL property.

Project Justification:

The residents on the north side of Coconut Road, east of US-41 do not have access to any sidewalks along Coconut Road. The proposed project will improve their access the sidewalks.
