

CIP Project Summary
Corkscrew Road Shared Use Path (Three Oaks-Sandy Ln)

CIP Category: Bicycle & Pedestrian

Design :	\$	516,000.00
Construction :	\$	3,723,600.00
Total:	\$	4,239,600.00

Project Description:

Construction of a shared use path on the north side of Corkscrew Road from Three Oaks Parkway to Sandy Lane

Project Justification:

The Bicycle & Pedestrian Master Plan identified a lack of east west corridors as a major impediment to bicycle and pedestrian travel in Estero. Corkscrew Road was identified as the preferred main corridor. There are no bicycle or pedestrian facilities on the north side of Corkscrew Road from Three Oaks Parkway to Sandy Lane. This project will provide those facilities and improve bicycle/pedestrian access and safety.
