

CIP Project Summary  
FPL Shared Use Path (East of I75)

---

CIP Category:   Bicycle & Pedestrian

Design :	\$	546,000.00
Construction :	\$	1,327,300.00
Total:	\$	1,873,300.00

Project Description:

Construction of a shared use path along the FPL corridor located east of I-75. The path could extend from Bonita Springs to the northern Village of Estero limits.

Construction of similar facilities north and south of the proposed improvements within unincorporated Lee County and City of Bonita spring may be required to justify this project.

Project Justification:

The Village of Estero Bike/Ped Master Plan identified the lack of off roadway bicycle and pedestrian facilities as a weakness for Estero. Construction of a major off roadway bicycle and pedestrian corridor along the existing FPL corridor would provide an alternative to on-roadway facilities. This project would improve bicycle/pedestrian access and safety.
