

## CIP Project Summary

### North Point Railroad Crossing

---

CIP Category: Intersection

Account Code:

Design :	\$	-
Construction :	\$	-
Total:	\$	1,000,000.00

**Project Description:**

To build a roadway from Via Coconut Point to US-41 through the North Point Development, the railroad will need to be crossed. This budget item will pay for the costs required to cross the rail road property.

**Project Justification:**

This cost is required to install an additional roadway connection between US-41 and Via Coconut Point.
