

CIP Project Summary

North Point Railroad Crossing

CIP Category: Intersection

Design :	\$	-
Construction :	\$	-
Total:	\$	1,000,000.00

Project Description:

To build a roadway from Via Coconut Point to US-41 through the North Point Development, Seminole Gulf Railway property will need to be crossed. This budget item will pay for the costs required to cross the railroad property.

Project Justification:

A roadway connection from US-41 and Pelican Sound Drive to Via Coconut Point is desired to provide a connection through the North Point Development.
