

CIP Project Summary

SUN Trail South

CIP Category: Bicycle & Pedestrian

Design :	\$	1,188,000.00
Construction :	\$	4,241,000.00
Total:	\$	5,429,000.00

Project Description:

The construction of an off roadway multi-use pathway on the existing Seminole Gulf Railway right of way from the Village's southern limits to Estero Parkway. Project costs do not include land acquisition or easements. That is budgeted separately.

Project includes a bridge crossing of the Estero River.

Project Justification:

The Village of Estero Bike/Ped Master Plan identified the lack of off roadway bicycle and pedestrian facilities as a weakness for Estero. The Master Plan recommends the construction of a major off roadway bicycle and pedestrian corridor along the existing railroad to improve the bicycle and pedestrian experience and safety in Estero.
