

CIP Project Summary
Sandy Lane Bike/Ped Improvements

CIP Category: Bicycle & Pedestrian

Design :	\$	312,000.00
Construction :	\$	1,526,300.00
Total:	\$	1,838,300.00

Project Description:

Construct a shared use path along the east side of Sandy Lane from Corkscrew Road to Broadway East

Project Justification:

Estero residents along Broadway (East & West) and Sandy Lane have limited access to bicycle and pedestrian facilities. The Bicycle and Pedestrian Master Plan recommends the addition of a shared use path and facilities along Broadway East to connect these residents to a larger network of bicycle and pedestrian facilities along Via Coconut Point and Corkscrew Road. This project will improve bicycle/pedestrian access and safety.
