

CIP Project Summary
US-41 Shoulder Landscaping

CIP Category: Landscape

Design :	\$	444,000.00
Construction :	\$	3,293,200.00
Total:	\$	3,737,200.00

Project Description:

Install landscaping along the US-41 outside edge of pavement.

Project Justification:

Additional landscaping is required along the US-41 roadway shoulders to beautify the roadway, better identify Estero, and help promote slower vehicular speeds. Landscaping will also provide shade for pedestrians.
