Vegetation Permit Submittal Requirements

If the permit applicant is not the owner of the property, a letter of authorization must be submitted with the application.

EXOTIC REMOVAL: To remove invasive exotics, list the following in the description on your application:

- Type of vegetation to be removed
- Proposed method(s) of removal
- Other types of vegetation

INDIGENOUS MAINTENANCE:

To conduct maintenance within an existing indigenous preserve, provide an indigenous maintenance outline indicating the type of management to occur.

SOIL BORING:

To conduct a soil boring on a property, indicate the number, location, and path of borings on an aerial photograph.

NOTICE OF CLEARING:

To clear property for agricultural purposes, provide the following:

- Written notarized statement from the property owner that the purpose of the clearing request is for bona fide agricultural reasons and specify proposed agricultural use.
- Current aerial section maps (1"=200') with the property boundaries clearly outlined.
- Copies of any applicable documents which demonstrate intent to use the property for bona fide agricultural purposes. Examples of such documents include, but are not limited to, South Florida Water Management District water use permit; cattle lease agreement(s), forestry management plan(s), expansion of a current bona fide agricultural operation, receipts for stock materials, etc.
- **Legal Description:** On 8 ½" x 11" with a sealed sketch of the legal description.

SINGLE/MULTIPLE TREE(S):

To remove individual tree(s) within an existing community on common property, list the following in the description on your application:

- Tree species
- Quantity
- Location
- Photograph(s) of trees to be removed (if possible).

VEGETATION PERMIT:

Provide on the application the development order number for commercial projects.

LOT CLEARING:

For a single family lot which is five acres or more in the Village of Estero, provide a detailed site plan that includes the following:

- Shape and dimensions of the lot or a boundary survey.
- Location of existing or proposed structure(s) and any other improvements (i.e., drain field, driveway, etc.)

Please note that if an application to rezone a parcel is filed within three years from the date the most recent Notice of Clearing was issued, and the rezoning is granted, the applicable open space requirements of Chapter 10, Village of Estero Land Development Code (LDC), must be satisfied in the following manner:

- A sufficient number of trees listed in Appendix E (LDC) must be placed, planted and maintained consistent with Section 14-384(a)(1)-(4) to the extent that such minimum open space requirements cannot be satisfied by then-existing natural forest.*
- Such reforestation as required in subsection (a)(1)a.1 of LDC Section 14-377 shall be satisfied by imposing the necessary conditions to any final development order issued at time within eight years after the land in question is rezoned.*

AFFIDAVIT OF AUTHORIZATION

APPLICATION IS SIGNED BY PROPERTY OWNER*

I, _____ (name), as _____ (owner/title) of _____ company/property), swear or affirm under oath, that I am the owner or the authorized representative of the owner(s) of the property and that:

1. I have full authority to secure the approval(s) requested and to impose covenants and restrictions on the referenced property as a result of any action approved by the Village of Estero in accordance with this application and the Land Development Code.
2. All answers to the questions in this application and any sketches, data or other supplementary matter attached hereto and made a part of this application are honest and true.
3. I have authorized the staff of The Village of Estero Community Development to enter upon the property during normal working hours for the purpose of investigating and evaluating the request made thru this application.
4. The property will not be transferred, conveyed, sold or subdivided unencumbered by the conditions and restrictions imposed by the approved action.
