

Filing a Late Request for Public Assistance (RPA)

To file a late RPA, please email the request to RPA.Help@em.myflorida.com to the attention of Kevin Adkison, State Public Assistance Officer.

The request should include:

- A completed FEMA Request for Public Assistance (RPA) Form ([Form 009-0-49](#))
- A letter signed by the Applicant, requesting to submit a late RPA with the justification for the delayed submission. This must include extenuating circumstances that are beyond the Applicant's control and should reference any documented attempts to contact FEMA.

If the organization is a Private Non-Profit, the request will also need to include:

- A ruling letter from the Internal Revenue Service that was in effect on the declaration date and granted tax exemption under sections 501(c), (d), or (e) of the Internal Revenue Code; OR
 - Documentation from the State substantiating it is a non-revenue producing, nonprofit entity organized or doing business under State law.
 - If the organization is exempt from both the requirement to apply for 501(c)(3) status and tax-exempt status under State law, the organization must provide articles of association, bylaws, or other documents indicating that it is an organized entity and a certification that it is compliant with Internal Revenue Code section 501(c)(3) and State law requirements.
- Proof of ownership if the Applicant owns the damaged facility.
- Lease or other proof of legal responsibility to repair the incident-related damage if the Applicant leases the damaged facility.
- List of services provided in the damaged facility, to include when, and to whom the services were provided.
- If a Private Non-Profit organization provides "Noncritical, Essential Social Services" as described on pages 43-47 of the [FEMA Public Assistance Program and Policy Guide, Version 4](#) and is seeking Public Assistance funding for the repair or replacement of facilities or contents ("Permanent Work"), they will have to apply to the Small Business Administration (SBA) for a loan prior to becoming eligible for those activities. The deadline to submit a Hurricane Ian (DR-4673-FL) SBA loan application for physical property damage was 1/12/23, but late applications with documented extenuating circumstances may be accepted. To apply for a SBA loan, go to <https://disasterloanassistance.sba.gov/> or call 1-800-659-2955.
