

DR-4673-FL Hurricane Ian: 14-day Public Right-of-Way Debris Request

In accordance with FEMA Disaster Specific Guidance for Hurricane Ian issued by the Federal Coordinating Officer on 11/18/2022, I formally request to identify a 14-day contiguous period for public rights-of-way debris removal.

By completing this form, I affirm that I am an authorized agent for my organization, and I understand that curbside removal of event-generated debris from along the public ROW is approved for a continuous 14 consecutive calendar days period and that it is subject to the terms, conditions, and restrictions found in the Disaster Specific Guidance. This 14-day period must fall between November 21, 2022, through December 23, 2022. No other periods are authorized or will be considered.
