Operation BBQ Relief is a 501(c)(3) nonprofit organization that was founded in May 2011 in response to a need for tornado relief efforts in Joplin, Missouri. Competitive pitmasters from nine different states answered the call to feed displaced families and first responders. Together, they were able to serve over 120,000 meals in a 13-day period. This experience of building a network to feed individuals in need has been the inspiration for Operation BBQ Relief. To date, Operation BBQ Relief has provided over 9 million meals throughout the United States and internationally following natural disasters, COVID-19 response, and through The Always Serving Project, benefiting the homeless, first responders, veterans and members of the military.

Please join us at the **We're Here For You** event for community, support, and information. We hope to see you there.
