BACKGROUND

The Broadway West area is one of the older areas of Estero. Development in the area started prior to the 1960's and many of the homes were built prior to the 1980's. Many of the septic tanks were built prior to current requirements. Septic tanks and drain fields were built near the groundwater table. Resulting in reduced treatment efficiency. Some areas include relatively high concentrations of septic tanks as lots are approximately 0.25 acres in size.

PROJECT AREA

The project area is located at the west end of Broadway Ave. West. It includes approximately 200 acres of land with approximately 325 parcels. The project area is generally bound by The Estero River to the south, The Village Boundary and Riverwoods Planation to the North, Estero Bay Aquatic Preserve and Riverwoods Plantation to the west and Mariners Cove and Breckenridge to the east. A map has been included.

SELECTION PROCEDURE:

The selection of the Consultant will be made in accordance with Village of Estero procurement regulations and the Consultant's Competitive Negotiation Act, Chapter 287.055, Florida Statutes. Some or all of the responding firms may be requested to provide telephone interviews or written or oral technical proposals (or both), for the ranking process. Additional contract terms and fee will be negotiated following a ranking of responding consultants by the Village.

NOTE: Only the respondents achieving the 3 highest point score totals will be short listed and may be invited for interviews or presentations. The Village reserves the right, however, to invite firms for an interview or presentation outside of the top 3.

Points will be assigned as listed below based on the information provided in the Letters of Interest. Point score totals will be an average of the points assigned by each committee member with a total maximum score of 100 points (for example, if a firm receives a total of 240 points from three committee members, 240 will be divided by 3 for an average of 80 which would be that firm's point score total).

Please provide your firm's experience on similar projects. Include a discussion of how each project is similar to this project.

Please provide resumes for key individuals. Resumes will not count toward the three-page limit.
