INTRODUCTION

OVERVIEW

The Village of Estero is accepting qualifications from companies interested in providing mowing, tree trimming, landscape maintenance, and irrigation maintenance services for various roads located within the Village.

TWO STEP BID PROCESS

NOTE:

*PLEASE SUBMIT THE DOCUMENTS FOR STEPS ONE AND TWO TOGETHER ON THE PROJECT DUE DATE.

*PLEASE USE SEPARATE SEALED ENVELOPES MARKED “STEP ONE” & “STEP TWO”.

FOR STEP ONE PLEASE SUBMIT ONE ORIGINAL DOCUMENT (PLEASE MARK THE ORIGINAL) AND FIVE COPIES. ALL OF STEP ONE MAY BE INCLUDED IN ONE ENVELOPE AND MARKED AS STEP ONE.

IN ANOTHER ENVELOPE PLEASE PUT STEP TWO DOCUMENTS (PLEASE MARK THE ORIGINAL AND ONE COPY AND MARK THE ENVELOPE AS STEP TWO.

The Village of Estero is utilizing a two-step process to evaluate the qualifications of bidders and allow only qualified companies to have their pricing opened and considered under Step Two.

- Step One will require interested bidders to submit the qualifications of their company.
- In Step Two, only those companies qualified in Step One will be eligible to have their pricing opened and considered.

STEP ONE – REQUEST FOR QUALIFICATIONS

In Step One, please submit all requested information to The Village of Estero, 9401 Corkscrew Palms Circle #101, Estero, FL 33928, before the deadline given on the cover of this solicitation. Qualifications received after this date and time may not be accepted.

All of the qualifications received will then be reviewed and evaluated by Village staff, and a decision made as to which companies are qualified and which are not. Only those companies found to be qualified will be allowed to proceed to Step Two.

In order for a company to be considered responsive in Step One, it should submit all information requested, including appropriate signatures. Failure to meet these requirements may cause your company to be declared non-responsive.

STEP TWO – REQUEST FOR BIDS – PRICES

Companies found to be qualified in Step One will be eligible to have their pricing opened and considered. This information must be completed and returned to The Village of Estero, 9401 Corkscrew Palms Circle #101, Estero, FL 33928, along with Step One, before the given deadline. Pricing information received after this date and time will not be accepted.

INSTRUCTIONS TO BIDDERS

Sealed Bids will be received by the VILLAGE OF ESTERO, until the time and date specified on the cover sheet of this “Invitation to Bid”, and opened immediately thereafter by the Village Manager or designee.

Any questions regarding this solicitation should be directed to the Village Contact listed on the cover page of this solicitation, or by calling the Village of Estero Administration at (239) 221-5035.

1. SUBMISSION OF BID:

- a. Bids must be sealed in an envelope, and the outside of the envelope should be marked with the following information:
 1. Marked with the words “Sealed Bid”.
 2. Name of the firm submitting the Bid.
 3. Title of the Bid.
 4. Bid Number.
 5. Bid Due Date.
 6. Contact e-mail and telephone number.
- b. The bid must be submitted as follows:
 1. The original consisting of the Village’s Bid Forms completed and signed, and where applicable, corporate and/or notary seals attached. (Mark as “Original”.)
 2. A copy of the original Bid Forms for the Village Manager. (Mark as “Copy”.)
 3. Any information (either required or in addition to that asked for by the specifications) necessary to analyze your bid (i.e., required submittals, literature, technical data, financial statements).
 4. Warranties and guarantees against defective materials and workmanship (if applicable).
 5. Provide one (1) flash drive of the entire submission documents (do not lock any files) – as one single Adobe PDF file in the same order as the original hard copy. Please limit the color and number of images to avoid unmanageable file sizes.
- c. **RESPONSES RECEIVED LATE:** The delivery of Bid package to Village of Estero prior to or on the time and date as stated is solely and strictly the responsibility of the Bidder. Village of Estero shall not be responsible for delays caused by the E-mail System(s), United States Postal Service, Overnight Express Mail Services, or for delays caused by any other occurrence. The Village expressly reserves the sole and exclusive right to accept or reject a late Bid when the lateness is due to matters beyond the control of any third party delivery service. Late Bids may be returned to the Bidder with the notation: “This Bid was received after the specified deadline time”. All references to date and time herein reference Estero, FL local time.
- d. **VILLAGE RESERVES THE RIGHT:** The Village reserves the right to exercise its discretion, to waive minor informalities in any response; to reject any or all responses with or without cause; or to accept the response that in its judgment will be in the best interest of the Village. Further, the Village, in its sole discretion, reserves the right to separately quote any project that is outside the scope of this solicitation, whether through size, complexity, or dollar value.

- e. EXECUTION OF SOLICITATION: All responses must contain the signature of an authorized representative of the vendor in the space provided on the anti-collusion page. All responses shall be typed or printed in ink. Do not use erasable ink. All corrections made to the response shall be initialed.
- f. CALCULATION ERRORS: In the event of multiplication/addition error(s), the unit price shall prevail. Written prices shall prevail over figures where applicable. All bids will be reviewed mathematically and corrected, if necessary, using these standards, prior to further evaluation.
- g. ADDITIONS/REVISIONS/DELETIONS: Additions, revisions or deletions to the general conditions, specifications that change the intent of the solicitation may cause the solicitation to be non-responsive and the response may not be considered. The Village Manager shall be the sole judge as to whether or not any addition, revision, or deletion changes the intent of the solicitation.

2. ACCEPTANCE & SHIPPING

The materials and/or services delivered under the solicitation shall remain the property of the Bidder until a physical inspection and actual usage of these materials or services is accepted by the Village and is deemed to be in compliance with the terms herein, fully in accord with the specifications and of the highest quality. In the event the materials or services provided to the Village are found to be defective or do not conform to specifications, the Village reserves the right to obtain the services of another Bidder.

Cost of all shipping to the site, including any inside delivery charges and all unusual storage requirements shall be borne by the Bidder unless otherwise agreed upon in writing prior to service. It shall be the Bidder's responsibility to make appropriate arrangements, and to coordinate with authorized personnel at the site, for proper acceptance, handling, protection and storage (if available) of equipment and material delivered. All pricing to be F.O.B. Destination.

3. GENERAL INFORMATION

Only submissions received from responsive and responsible firms will be considered. The Village reserves the right before recommending any award to inspect the facilities and organization; or to take any other necessary action, such as background checks, to determine ability to perform is satisfactory, and reserves the right to reject submission packages where evidence submitted or investigation and evaluation indicates an inability for the firm to perform. Any entity that will have access to Village facilities or property may be required to be screened to a level that may include, but is not limited to; fingerprints, statewide criminal background checks. Costs for such screening will be the responsibility of the awarded respondent.

Submissions may be declared "not responsible" due to past or pending lawsuits that are relevant to the subject procurement such that they call into question the ability of the firm to assure good faith performance. All respondents will also be evaluated on their past performance and prior dealings with the Village (i.e., failure to meet specifications, poor workmanship, late delivery, etc.) with poor or unacceptable past performance may result in disqualification.

4. RULES, REGULATIONS, LAWS, ORDINANCES & LICENSES

Bidders shall observe and obey all laws, ordinances, rules and regulations of the federal, state, and local government which may be applicable. Violations are grounds for unilateral termination of the awarded agreement.

Any involvement with the Village of Estero shall be in accordance with but not limited to:

- a. Authorized to transact business and properly licensed in the State of Florida at the time of bid submittal. Copies of all necessary permits or licenses must be provided with bid submittal.
- b. Compliance with Federal Occupational Safety and Health Administration standards and regulations.
- c. Compliance with any applicable Environmental Protection Agency regulations.
- d. Chapter 112, Part III, Code of Ethics, Florida Statutes, regarding public officers and employees, as well as, conflict of interest and business relationship disclosure requirements.
- e. Chapter 119, Florida Statutes, Public Records.
- f. Chapter 215, Florida Statutes, regarding scrutinized companies and business operations.
- g. Chapter 255, Florida Statutes, regarding the construction of public facilities.
- h. Compliance, if applicable, with the Consultant's Competitive Negotiation Act; Section 287.055, Florida Statutes.
- i. Chapter 287, Florida Statutes, regarding the procurement of personal property and services.

5. VILLAGE OF ESTERO PAYMENT PROCEDURES

All Bidders are requested to email invoices to: accountspayable@estero-fl.gov

Should you prefer to mail your invoice, please send it to the following address:

Village of Estero
9401 Corkscrew Palms Circle #101
Estero, FL 33928

All invoices will be paid as directed by the Village payment procedure and in accordance with the Local Government Prompt Payment Act unless otherwise differently stated in the detailed specification portion of this project.

Village will not be liable for requests for payment deriving from aid, assistance, or help by any individual, vendor, or bidder for the preparation of these specifications.

Village of Estero is generally a tax-exempt entity. Village will only pay those taxes for which it is obligated, and will provide a Certificate of Exemption furnished by the Department of Revenue. All respondents should include in their response all sales or use taxes which they will pay when making purchases of material or subcontractor's services.

6. WAIVER OF CLAIMS

Once this contract expires, or final payment has been requested and made, the awarded bidder shall have no more than **30 calendar days** to present or file any claims against the Village concerning this contract. After that period, the Village will consider the bidder to have waived any right to claims against the Village concerning this agreement.

7. AUTHORITY TO PIGGYBACK

It is hereby made a precondition of any response and a part of these specifications that the submission of any document in response to this request constitutes a response made under the same conditions, for the same price, and for the same effective period as this response, to any other governmental entity. The Village of Estero will not be financially responsible for the purchases of other entities from this solicitation.

8. ANTI-DISCRIMINATION

In accordance with the provisions of Title VI of the Civil Rights Act of 1964, it is expressly understood that minority business enterprises will be afforded full opportunity to submit responses and will not be discriminated against on the grounds of race, color or national origin in consideration for an award. Furthermore, the Village has the right to terminate any awarded contract upon receipt of evidence of discrimination and hereby notifies all potential respondents that it will affirmatively ensure that any and all respondents must comply with the Civil Rights Act of 1964, the Age Discrimination in Employment Act, the Rehabilitation Act of 1973, the Americans with Disabilities Act and the Florida Civil Rights Act, all as amended. All respondents in accepting an award under this solicitation for itself, its successors in interest and assignees, including subcontractors and subcontractors, covenant and agree to comply with the anti-discrimination provisions of this solicitation.

Village may require any awarded respondent to submit reports as may be necessary to indicate non-discrimination. Village officials will be permitted access to vendor's books, records, accounts and other sources of information and its facilities as may be pertinent to ascertain compliance with non-discrimination laws. Awarded respondents must post in a conspicuous place, available to employees and applicants for employment, notices setting forth the provisions of this anti-discrimination clause.

An entity or affiliate who has been placed on the State of Florida's Discriminatory Vendor List (viewable at the Department of Management Services website at <http://www.dms.myflorida.com>) may not submit a bid on a contract to provide goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not award or perform work as a vendor, supplier, sub-contractor, or consultant under contract with any public entity, and may not transact business with any public entity.

9. TIEBREAKER

Except as provided by paragraph 8 above whenever two or more bids, which are equal with respect to price, quality and service, are received for the procurement of commodities or contractual services, from responsive and responsible bidders, the award or the first opportunity to negotiate, as applicable, shall be determined by the flip of a coin to determine final outcome.

If an award or negotiation is unsuccessful with the initial bidder, award or negotiations may commence with the next lowest bidder, utilizing the tiebreaker steps above to make the determination of the next lowest bidder where the next lowest bidder would similarly be equal.

10. AUDITABLE RECORDS

The selected Bidder will maintain all records directly pertaining to or connected with the services under this solicitation which must be readily available and accessible at respondent's local offices for the purpose of inspection, audit, and copying during normal business hours by the Village, and to other persons in accordance with Florida's public records laws.

Bidder will fully cooperate with all public records requests by providing the necessary records to the Village promptly upon notice unless the records are exempt. Failure by a Bidder to promptly respond to notices requesting records constitutes grounds for unilateral cancellation by the Village at any time, without recourse. Records may be provided in the form or format in which they are kept including electronic files. Bidder's right to claim an exemption from disclosure shall not be deemed failure to comply with this article.

Additionally, Bidder will maintain auditable records concerning this solicitation adequate to account for all receipts and expenditures, and to document compliance with the procurement specifications. These records must be kept in accordance with generally accepted accounting methods, and Village reserves the right to determine the record-keeping method required in the event of non-conformity.

All records must be maintained for five (5) years after the expiration of any contract hereunder or final payment has been requested and made, whichever occurs last. Bidder will require all subcontractors to comply with the provisions of this section. If the records are unavailable locally, it shall be the Bidder's responsibility to ensure that all required records are provided at the Bidder's expense all costs in accessing records maintained out of the county. The direct costs of copying records will be borne by the requesting party.

It is understood and agreed that all records and data prepared or obtained by the Bidder in connection with its services hereunder, including all documents bearing the professional seal of the successful respondent, shall be delivered to and become the property of the Village prior to final payment. This includes any electronic versions such as CAD or other computer aided drafting programs.

11. TERMINATION

Any agreement as a result of this solicitation may be terminated by either party giving thirty (30) calendar days advance written notice. The Village reserves the right to accept or not accept a termination notice submitted by the bidder, and no such termination notice submitted by the bidder shall become effective unless and until the vendor is notified in writing by the Village of its acceptance.

The Village Manager may immediately terminate any agreement as a result of this solicitation for emergency purposes.

12. CONFIDENTIALITY

All submissions are subject to public disclosure and will not be afforded confidentiality, unless exempt as provided by Florida Statutes.

If information is submitted with a response that is deemed “Confidential” the respondent must stamp those pages of the response that are considered confidential. The respondent must provide documentation as to validate why these documents should be declared confidential in accordance with Florida’s public record laws.

The Village will not reveal engineering estimates or budget amounts for a project unless required by grant funding or until required by Section 337.168, Florida Statutes.

13. ANTI-LOBBYING CLAUSE

All respondents are hereby placed on formal notice that the Village Council, candidates for Village Council, employees of the Village of Estero Government, or any members of any evaluation review committees established for this solicitation are not to be lobbied, either individually or collectively, concerning this solicitation. Respondents and their agents who intend to submit Letters of Interest, qualifications, or have submitted responses for this solicitation are further placed on formal notice that they are not to contact the aforementioned for such purposes as holding meetings of introduction, meals, or meetings relating to the selection process outside of those specifically scheduled. Any such lobbying activities may cause immediate disqualification for this project. This prohibition begins with the issuance of any solicitation and ends upon issuance of a Notice to Proceed or when the solicitation has been canceled.

14. INSURANCE

A certificate of insurance as required by the solicitation documents must be in the response to this ITB.

15. INQUIRIES AND ADDENDUMS

Each respondent must examine the solicitation documents and shall judge all matters relating to the adequacy and accuracy of such documents. Any inquiries, suggestions, or requests concerning interpretation, clarification or additional information pertaining to the solicitation shall be made in writing, submitted at least eight (8) calendar days prior to the date when the response is due.

Responses and other clarifications will be in the form of an Addendum posted on www.estero-fl.gov. It is solely the firm’s responsibility to check the website for information. No notifications will be sent by the Village.

All addenda shall become part of the solicitation and Contract Documents.

The Village shall not be responsible for oral interpretations given by any Village employee, representative, or others. Interpretation of the meaning of the plans, specifications or any other contract document, or for correction of any apparent ambiguity, inconsistency or error there in, shall be in writing. Issuance of a written addendum by the Village is the only official method whereby interpretation, clarification or additional information can be given.

16. SUBCONTRACTORS AND SUBCONSULTANTS

No principal respondent to this solicitation may also be listed as a subcontractor or subconsultants to another firm submitting a proposal under this same solicitation. Should this occur, all responses from the involved firms will be considered non-compliant and rejected for award. Subcontractors or subconsultants may be listed on multiple proposals for the same solicitation, however, the use of subs under this solicitation is not allowed without prior written authorization from the Village.

17. WITHDRAWAL OF BID

A respondent may withdraw any submission at any time prior to the opening of the solicitation.

Requests to withdraw must be made in writing to the Village Manager who will approve or disapprove the request.

After submissions are opened, but prior to award of any contract, the Village Manager may allow the withdrawal only if the Village Manager finds evidence that at least one of the following circumstances were met: (1) the respondent acted in good faith in submitting their bid. (2) the mistake in the response preparation is of such a magnitude that to enforce compliance would cause a severe hardship on the respondent. (3) the mistake was not the result of gross negligence by the respond, and (4) the mistake was found and communicated to the Village prior to the Village having formally made a formal award. Notwithstanding the foregoing, a response may be withdrawn for a period of 180 calendar days after the scheduled time for opening of the solicitation, if an award has not been made.

18. PROTEST RIGHTS

Any person whose bid or proposal is rejected, in whole or in part, or who submits a formal bid or proposal but is not awarded the contract may protest such decision, but only strict compliance with this section. Failure to follow the protest procedures requirement within and the time frames as prescribed herein shall constitute a waiver of your protest and any resulting claims.

“Decisions” are posted on the Village of Estero website. Bidders are solely responsible to check for information regarding the solicitation. www.estero-fl.gov/

In order to preserve your right to protest, an aggrieved bidder must file a written “Notice of Intent to File a Protest” with the Village Manager by 4:00 PM on the third (3) working day after the decision affecting their bid or potential bid is posted on the Village website.

The notice must clearly state the basis and reasons for the protest and must be physically received by the Village Manager within the required time frame. No additional time is granted for mailing.

To secure your right to protest an aggrieved bidder (“protester”) will also be required to post a “Protest Bond” and file a written “Formal Protest” document within 10 calendar days after the “Notice of Intent to File a Protest”. A Protest Bond shall be in the form of a certified check, cashier’s check or money order made payable to the Village of Estero in an amount not less than five percent (5%) of the protester’s bid, or in the amount not less than five percent (5%) of the lower responsive bid received by the Village in the case of submission of a “no bid” protester. In

cases of a request for proposals then the amount of the Protest Bond shall be not less than five percent (5%) of the contract awarded by the Village for the accepted proposal.

Upon receipt of a Formal Protest the Village Manager will forward such protest to the Village Attorney, who shall review the protest and prepare findings of fact and conclusions as to the validity of the protest within 10 calendar days of its receipt and provide that decision to the protestor. The protestor shall have three (3) working days to appeal to the Village Council. The appeal shall be scheduled for a public hearing on the next available Village Council meeting. The Council shall consider the all competent substantial evidence presented at the hearing and render a decision. If the protestor's appeal is denied the Protest Bond shall be immediately forfeited in its entirety to the Village.

19. MATERIAL SAFETY DATA SHEETS (MSDS) – IF APPLICABLE

In accordance with Chapter 443 of the Florida Statutes it is the vendor's responsibility to provide the Village with Material Safety Data Sheets (MSDS) on bid materials, as may apply to this procurement.

20. PRE-BID CONFERENCE

A pre-bid conference may be held in the location, date, and time specified on the cover of this solicitation. The cover will also note if the pre-bid conference is Non-Mandatory or Mandatory. All questions and answers are considered informal. All prospective bidders are encouraged to obtain and review the solicitation documents prior to the pre-bid conference so they may be prepared to discuss any questions or concerns they have concerning this project. All questions must be submitted formally in writing to the Village Contact noted on the first page of the bid document. A formal response will be provided in the form of an addendum. A site visit may follow the pre-bid conference, as applicable.

There are two types of pre-bid conferences:

Non-Mandatory. Pre-bid conferences are generally non-mandatory, but it is highly recommended that prospective bidders participate.

Mandatory. Failure to attend a mandatory pre-bid conference will result in the bid being considered non-responsive.

21. QUALITY GUARANTEE/WARRANTY

Bidder will guarantee their work without disclaimers, unless specifically approved the by Village, for a minimum of twelve (12) months from the date of final completion.

Unless otherwise specifically provided in the specifications, all equipment and materials and articles incorporated in the work covered by this contract shall be new, unused and of the most suitable grade for the purpose intended. Refurbished parts or equipment are not acceptable unless otherwise specified in the purpose intended. Refurbished parts or equipment are not acceptable unless otherwise specified in the specifications. All warranties will begin from the date of final completion or acceptance for equipment.

Unless otherwise specifically provided in the specifications, any equipment must be similarly warrantied for twelve (12) months, shipping, parts, and labor. Should the equipment be taken out

of service for more than forty-eight (48) hours to have warranty work performed, a loaner machine of equal capability or better shall be provided for use until the repaired equipment is returned to service at no additional charge to the Village.

If any product does not meet performance representation or other quality assurance representations as published by manufacturers, producers, or distributors of such products or the specifications listed, the vendor shall pick up the product from the Village at no expense to the Village. The Village reserves the right to reject any or all materials, if in its judgment the item reflects unsatisfactory workmanship or manufacturing or shipping damage. The vendor shall refund to the Village any money which has been paid for same.

22. NEGOTIATED ITEMS

Any item not outlined in the Invitation to Bid may be subject to negotiations between the Village and the successful Bidder.

After award of this bid the Village reserves the right to add or delete items or services at prices to be negotiated at the time of addition or deletion.

At contract renewal time(s) or in the event of significant industry wide market changes, the Village may negotiate justified adjustments such as price or terms, if in its sole judgement, the Village considers such adjustments to be in its best interest.

23. AGREEMENT FORTHCOMING

The awarded Bidder will be issued a Notice to Proceed as the final determination of award, in the event additional terms or agreements are not required the terms of this solicitation shall form the full and complete basis of the agreement between the Village and the successful Bidder.

24. MISCELLANEOUS

- a. No amount of work is guaranteed upon award or contract.
- b. Award or contract does not entitle any bidder to exclusive rights to Village contracts.
- c. Vehicle travel mileage is considered incidental to the work and not an extra expense. Similarly, man-hours spent in travel time to and from work or the job site(s), are not compensable.
- d. Village reserves the right to add or delete, at any time, any or all items or services associated with this solicitation, utilize other responsive bidders or in-house resources.
- e. Florida law shall govern this solicitation and the Contract Documents with venue for any action brought under this solicitation or the Project being in Lee County, Florida.

End of Terms & Conditions Section

SUPPLEMENTARY CONDITIONS CONTRACT PROVISIONS FOR NON-FEDERAL ENTITY
CONTRACTS UNDER FEDERAL AWARDS

All contracts awarded by a recipient shall contain the following provisions as applicable.

Notice: Awarded Bidder and all associated contractors are considered recipients therefore the following provisions must be included in all contract provisions; inclusive those of the subcontractor when and where applicable.

1. TERMINATION FOR CAUSE AND/OR CONVENIENCE:

The Village, by written notice to the Contractor, may terminate this Agreement with or without cause, in whole or in part, when the Village determines in its sole discretion that it is in the Village's best interest to do so. In the event of termination the Contractor will not incur any new obligations for the terminated portion of the Agreement after the Contractor has received notification of termination.

If the Agreement is terminated before performance is completed, the Contractor shall be paid only for that work satisfactorily performed for which costs can be substantiated. Such payment, however, may not exceed an amount that is the same percentage of the Agreement price as the amount of work satisfactorily completed is a percentage of the total work called for by this Agreement. All work in progress shall become the property of the Village and shall be turned over promptly by the Contractor.

2. EQUAL EMPLOYMENT OPPORTUNITY:

During the performance of this contract, the contractor agrees as follows:

(1) The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions of this nondiscrimination clause.

(2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

(3) The contractor will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the contractor's legal duty to furnish information.

(4) The contractor will send to each labor union or representative of workers with which it has a collective

bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the contractor's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.

(5) The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.

(6) The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.

(7) In the event of the contractor's non-compliance with the nondiscrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.

(8) The contractor will include the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as may be directed by the Secretary of Labor as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction, the contractor may request the United States to enter into such litigation to protect the interests of the United States.

3. CONTRACT WORK HOURS & SAFETY STANDARDS (40 U.S.C. 3701-3708):

Where applicable, all contracts awarded by the non-Federal entity in excess of \$100,000 that involve the employment of mechanics or laborers must include a provision for compliance with 40 U.S.C. 3702 and 3704, as supplemented by Department of Labor regulations (29 C.F.R. Part 5). Under 40 U.S.C. 3702 of the Act, each contractor must be required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week.

The requirements of 40 U.S.C. 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

4. CLEAN AIR ACT & FEDERAL WATER POLLUTION CONTROL ACT

Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act (42 U.S.C. 7401-7671q) and the Federal Water Pollution Control Act as amended (33

U.S.C. 1251-1387), and will report violations to FEMA and the Regional Office of the Environmental Protection Agency (EPA).

5. ENERGY POLICY AND CONSERVATION ACT

Contractor must follow any mandatory standards and policies relating to energy efficiency which are contained in the state energy conservation plan issued in compliance with the Energy Policy and Conservation Act (42 U.S.C. 6201).

6. SUSPENSION AND DEBARMENT

This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. §180.935).

The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into.

This certification is a material representation of fact relied upon by (insert name of subgrantee). If it is later determined that the contractor did not comply with 2 C.F.R. pt.180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to the Village of Estero, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.

The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.”

7. BYRD ANTI-LOBBYING AMENDMENT

Contractors who apply or bid for an award of \$100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with nonfederal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

8. RECORDS

Contractor shall provide, when requested, access by the Village, Federal granting agency, the Comptroller General of the United States, or any of their duly authorized representatives to any books, documents, papers, and records of the contractor which are directly pertinent to this contract for the purpose of making audit, examination, excerpts, and transcriptions.

Contractor shall retain all records associated with contract for three (3) years after final payments and all other pending matters are closed.

9. RECOVERED MATERIALS

Contractor must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines. [78 FR 78608, Dec. 26, 2013, as amended at 79 FR 75885, Dec. 19, 2014]

10. REMEDIES

In the event the Contractor fails to satisfactorily perform or has failed to adhere to the terms and conditions under this Agreement, the Village may, upon fifteen (15) calendar days written notice to the Contractor and upon the Contractor's failure to cure within those fifteen (15) calendar days, exercise any one or more of the following remedies, either concurrently or consecutively:

Withhold or suspend payment of all or any part of a request for payment.

Require that the Contractor refund to the Village any monies used for ineligible purposes under the laws, rules and regulations governing the use of these funds.

Exercise any corrective or remedial actions, to include but not be limited to:

- requesting additional information from the Contractor to determine the reasons for or the extent of non-compliance or lack of performance;
- issuing a written warning to advise that more serious measures may be taken if the situation is not corrected;
- advising the Contractor to suspend, discontinue or refrain from incurring costs for any activities in question; or
- requiring the Contractor to reimburse the Village for the amount of costs incurred for any items determined to be ineligible.

Pursuing any of the above remedies will not keep the Village from pursuing any other rights or remedies which may be otherwise available under law or in equity. If the Village waives any right or remedy in this Agreement or fails to insist on strict performance by the Contractor, it will not affect, extend or waive any other right or remedy of the Village, or affect the later exercise of the same right or remedy by the Village for any other default by the Contractor.

VILLAGE OF ESTERO, FLORIDA
INVITATION TO BID
FOR ANNUAL MOWING, LANDSCAPE MAINTENANCE & IRRIGATION MAINTENANCE
(STEP TWO – PRICING)

GENERAL SCOPE OF PROJECT

The purpose of this bid is to solicit prospective bidders to provide mowing, tree trimming, landscape maintenance, and irrigation maintenance for various roads located within the Village of Estero, Florida. The maintenance work consists of providing all labor, materials, equipment, permits and incidentals necessary to perform the work as specified herein.

TERM OF AWARD

If awarded, the terms of this solicitation shall be in effect for one year with three (3) one (1) year renewal options for a total of four (4) years upon mutual agreement of both parties. The Village reserves the right to renew this contract (or any portion thereof) and to negotiate lower pricing as a condition for each renewal.

The Village's performance and obligation to pay under this contract, and any applicable renewal options, is contingent upon annual appropriation of funds.

MOWING - OVERVIEW

Village of Estero maintained roads. Per the list provided and entitled "Mowing Specifications".

Mowing, edging, tree trimming, and debris pick up of the road right of way. Mowing grass from right of way to right of way as described in the following technical specification and mowing specification. Trimming all trees the entire length of the Village-owned roadway, that obstruct roadway, sidewalks and drainage swales/ditches per technical specifications. Pick up all debris within the road right of way including debris within the roadway and along the sides of the roadway, per technical specifications. Spraying of herbicide to kill grass and weeds growing in the sidewalks and in the curb and gutters.

The awarded bidder understands the Village reserves the right to adjust the number of cycles at any time.

LANDSCAPE MAINTENANCE – OVERVIEW

Areas to be serviced:

Estero Parkway (US 41 to Three Oaks Parkway). Approximately 1.8 miles of roadway.

US 41 Medians (From approximately Pelican Colony Boulevard to Vintage Trace Circle).
Approximately 5 miles of roadway (not the exact length of the service area).

IRRIGATION MAINTENANCE - OVERVIEW

Area to be serviced:

Estero Parkway medians from US 41 to Three Oaks Parkway.

US 41 Medians.

BASIS OF AWARD

The bid is awarded under a system of sealed, competitive bidding to the lowest responsive and responsible bidder (Grand Total Annual Cost – All Services).

In the event the lowest responsible and responsive bid for a project exceeds the available funds the Village may negotiate an adjustment of the bid price with the lowest responsible and responsive bidder, in order to bring the total cost of the project within the amount of available funds.

The Village reserves the right to reject any and all bids or to waive any minor irregularity or technicality in the bids received.

The Village reserves the right to award to one or multiple bidders at the discretion of the requesting authority and approval of the Village Manager.

If work should begin at any other time than the beginning of a monthly cycle, the first invoice for maintenance of that segment shall be paid on a pro-rated basis.

CONSUMER PRICE INDEX ADJUSTMENT

At the Village's sole discretion, the contract price bid for this service may be increased annually on the first of October. If granted, this increase would be based on the July Consumer Price Index for U.S. City Average, Wage, and Clerical Workers, All Items, as published by the Bureau of Labor Statistics, Southeastern Regional Office as of the month of July for that year. The Village will notify the vendor of the increase amount if granted. This increased amount would begin with the billing for the month of October.

SITE CHANGES

The Village may, at its sole discretion, add or delete areas at no change in the unit price of the work as long as the new areas are of a similar nature.

The Village may, at its sole discretion, add new areas of dissimilar nature or alter sites, based on a mutually agreed price, to be negotiated between the vendor and an authorized Village representative.

The Village reserves the right to delete or cancel any site or service at the bid price.

The Village reserves the right to add or delete services based on a mutually agreed upon price, to be negotiated between the vendor and an authorized Village representative.

EXAMINATION OF SITES

The Village suggests that bidders visit the sites of this work and acquaint themselves with the conditions as they exist and operations to be carried out under this bid. Vendors shall make such investigations as they may see fit so that they may fully understand the facilities, difficulties and restrictions attending the execution of the work under this bid.

WORKMANSHIP AND INSPECTION

The supervision of the performance of the work done under this bid is vested wholly with the Village of Estero Public Works. Village of Estero will decide any and all questions which may arise as to the quality and acceptability of equipment, materials used, work performed, and the manner of performance and rate of progress of the work.

All work that does not meet the specifications must be corrected before the Village Public Works will give approval for payment. The Village reserves the right to deny a monthly payment for work not completed for that period of time.

DESIGNATED CONTACT

The awarded bidder shall appoint a person or persons to act as a primary contact for the Village. This person or back-up shall be readily available during normal work hours by phone or in person, and shall be knowledgeable of the terms and procedures involved.

TOLLS

The Village will not reimburse the awarded vendor(s) for any bridge tolls.

WORK SCHEDULE

NOTE: The setting of the work schedule is entirely up to the awarded vendor. The expectations and required level of service are clearly delineated within this document and is the vendor's responsibility to set up a schedule that allows for them to be met. Payment will be made via monthly invoices for services rendered that month. The Village shall be the final judge of whether the work schedule and required number of cycles results in a finished product that meets expectations. While the Village will not dictate the work schedule and details of same, it reserves the right to opine and discuss with the awarded vendor if and when it believes either expectations are not being met or too many cycles are being performed to achieve the desired result.

METHOD OF PAYMENT

Payment will be made to the vendor in monthly installments after receipt of an invoice from the vendor at the end of each time period of one (1) month. The invoice must list the dates serviced and the type of service performed.

ASSIGNMENT OF THIS CONTRACT

The awarded bidder shall not assign or transfer any portion of this agreement.

Sub-contracting is allowed with pre-approval of the Village Representative. However, no sub-contractors are to be used for work under this bid without the pre-approval of the Village representative.

AFFIDAVIT CERTIFICATION IMMIGRATION LAWS

The attached document, Affidavit Certification Immigration Laws, is required and should be submitted with your solicitation package. It must be signed and notarized. Failure to include this affidavit with your response will delay the consideration and review of your submission; and could result in your response being disqualified.

Immigration Laws: Village of Estero will not intentionally award Village contracts to any Bidder who knowingly employs unauthorized alien workers, constituting a violation of the employment provisions contained in 8 U.S.C. Section 1324 a(e), Section 274A(e) of the Immigration and Nationality Act ("INA).

Village shall consider the employment by any Bidder of unauthorized aliens a violation of Section 274A(e) of the INA. Such violation by the recipient of the employment provisions contained in Section 274A(e) of the INA shall be grounds for unilateral cancellation of the contract by the Village.

AGREEMENTS/CONTRACTS

The awarded vendor will be required to execute an Agreement/Contract as a condition of award.

If your firm will require the Village of Estero to sign any type of contract and/or agreement as part of this purchase, please include a copy of these documents with your bid package response. The Village reserves the right to reject any documents that may be submitted.

SUPERVISION AND SAFETY

- A. Provide the maintenance services in a professional manner. During all maintenance work hours provide a qualified and competent English-speaking person on site who is authorized to supervise the maintenance operations and to represent and act for the vendor.
- B. The vendor shall video record in color the entire site prior to commencement of this contract. Care must be taken to ensure that the site is adequately documented – i.e., utility boxes, curbs, signs, and condition of existing sod and plants, including any damage such as weed eater blight. This video will be used to resolve any disputes. In the event that the site is not properly documented and could have reasonably been done and an issue arises, it will be assumed to be the vendor's responsibility and shall be repaired at no cost to the Village. One copy of the video will be retained by the vendor and one copy by the Village.
- C. All vehicles and trailers shall have the vendor's name and business phone number clearly displayed during work hours. Vendor's personnel shall wear appropriate apparel including high visibility safety vest (class II).
- D. It shall be the vendor's responsibility to maintain safe and efficient pedestrian and vehicular traffic flow through the designated work zone area. The vendor shall adhere to the applicable federal, state, and local laws, ordinances and regulations. The vendor shall maintain proper work zones in accordance with the State of Florida, Department of Transportation's Manual on Traffic Control and Safe Practices for Streets and Highway Construction and Utility Operations and the Manual on Uniform Traffic Control Devices (M.U.T.C.D.)
- E. The vendor shall fully adhere to the Federal Occupational Safety and Health Act (OSHA).
- F. The Village requires that mowing equipment have warning lights or a strobe light installed and operating while in operation. Warning signs that read "Mowers Ahead" and meeting the MUTCD specifications be placed in the right-of-way facing each lane of traffic in both directions. Signage shall be placed at the beginning and ending limits of the project.
- G. Prior to the repair of planting areas and replacement of plants, ascertain the location of all drains, electrical cable, conduits, utility lines, supply lines and other subsurface structures. It is the contractor's responsibility to call 811 to have all utilities located, so that proper advance owner

notification may be made and precautions may be taken not to disturb or damage any of these elements or improvements. Properly maintain and protect existing utilities. Repair all items damaged by this work at no additional expense to the Village.

REPORTING AND INSPECTION

Onsite inspections will be conducted at the request of the Village representative and scheduled within five (5) working days of request.

The vendor shall meet with the Village representative on a set monthly schedule to discuss and remedy any field questions and/or associated problems.

INITIAL SITE VISIT

Before the vendor begins any work, the vendor and the Village representative shall meet onsite to clearly define the limits of mowing responsibilities and expectations, and to discuss any relevant issues.

US 41 median landscaping is currently under warranty/establishment service. It is scheduled to come on line under this bid early 2022.

Technical Specifications

The vendor will provide all labor, materials, equipment, permits, and incidentals necessary to perform the following:

- A. **MOWING AND EDGING:** All turf shall be mowed with mulching type mower equipment to eliminate the need to bag and transport grass clippings. Should bagging be necessary, the bagged clippings shall be collected and removed at no additional cost. St. Augustine and Bahia varieties shall be cut at a height of four and one-half (4.5") inches. Zoysia varieties shall be cut at a height of two (2") inches. The frequency of cutting will be weekly unless at time of mowing the turf is at or below mowing height or if in the turf's health interest (such as inclement weather events and periods of cold/drought) adjust mowing schedule to less than weekly per Florida's Best Management Practices (BMPs).

Mechanical edging of the turf shall be done with each mowing along all sidewalk edges, back of concrete curbs, around all planting beds, utility service boxes, street light bases, sign posts, headwalls, guardrails, timer pedestals, posts, and trees. Metal blade edging is not permitted along back of curbing. Grass root runners extending into the mulched areas shall be cut and removed when the edging is performed. Edging will also be required in all turf areas around isolated trees, sprinkler heads, valve boxes, shrubs, sign posts, manholes, etc. where they exist. All debris on streets, sidewalks or other areas resulting from edging shall be removed. No herbicide shall be used for edging.

All sidewalks, curbing and/or gutters shall be cleaned after each service. All sidewalks shall be blown clean, but no clippings or other debris shall be blown or allowed to be deposited on other adjacent property, into drainage structures, onto roadway surfaces, or accumulate on right-of-way areas.

Mowing area/limits are defined as Right of Way (ROW) to Right of Way (ROW).

- B. **WEEDING:** Weeding of plant beds, sidewalks (asphalt, concrete or pavers), guardrail bases, and curb joints as well as other mulched areas by chemical and/or hand removal will be performed weekly or as necessary to provide a weed free and well-maintained area.
- C. **GENERAL SITE PRUNING:** General site pruning shall be defined as the pruning of any plant's foliage below ten-foot (10') foot.

All groundcovers, shrubs, canopy trees and palms up to ten-foot (10') level, shall be inspected and selectively pruned on a weekly or as needed basis to maintain the proper or required heights for visibility, vehicular movement purposes and to respect the horticultural character of each plant as determined by Village's representative. Pruning shall also include removal of water sprouts, suckers and any dead or diseased foliage or branches. Prune all blooming species to maximize blooms in October to May. From June to September, prune back plants to regenerate and remove dead branching or "witches broom" effect. Perform as needed by maturity and legginess of plants to promote full healthy long lasting plants.

During the first week of October and April, ornamental grasses, such as Fountain grass, Florida Gamma or Fakahatchee grass shall be pruned in a pyramid shape to a twelve-inch (12") or twenty-four (24") height based upon the type of plant. Ornamental type grasses such as Liriope

muscari ‘Evergreen Giant’, are not to be pruned unless under the direction and approval of the Village’s representative.

Plant material with a canopy over pedestrian sidewalks shall be maintained at a minimum height of one hundred twenty inches (120”). Shrubs adjacent to pathways or sidewalks shall be pruned to maintain one foot (1’) of clearance from the edge of the pathway and maintained so that they angle or are rounded away from the pathway. Groundcover adjacent to pathways or sidewalks shall be pruned if the structure of the plant requires it to maintain six inches (6”) of clearance from the edge of the pathway. Trimming of groundcover is to be performed only under the direction and approval of the Village’s representative.

- D. **TRASH REMOVAL:** With each service, all sites shall be cleaned by removing all trash or debris to include, but not limited to; paper, bottles, cans, other trash, and horticultural debris. All debris or trash pick-ups shall be performed “prior” to mowing in all turf areas. All trash and debris must be disposed of at a properly authorized landfill or disposal site.
- E. **STREET CLEANING/SWEEPING:** Street Cleaning: A four foot (4’) wide area measured from the face of the curb and gutters including turn lanes shall be cleaned with each site service to remove any accumulation of debris or objectionable growth so to maintain a neat and safe condition.
- F. **TRAFFIC CONTROL:** The contractor shall comply with the requirements of FDOT, Lee County Department of Transportation (LDOT) and/or Village of Estero Maintenance of Traffic (MOT) Policy, whichever applies to the roadway being maintained. The Contractor shall obtain and review the appropriate MOT policy requirements prior to submitting a bid.

The Contractor will be responsible for obtaining copies of all required manuals, MUTCD, FDOT Roadway & Traffic Design Standard Indexes, or other related documents, so to become familiar with the requirements. Strict adherence to the requirements of the MOT policy will be enforced under this Contract.

To assist in employee visibility, employees servicing the area shall wear high visibility safety apparel in compliance with the most current editions of the FDOT Design Standards and Maintenance of Traffic policy.

- G. **CANOPY TREE AND PALM PRUNING:** Canopy trees shall be defined as any large shrub, tree, or palm with foliage above a ten-foot (10’) level.

All canopy trees and palms shall be pruned on an as needed basis to create and maintain a seventeen-foot (17’) canopy clearance over the roadways and a ten-foot (10’) canopy clearance over all pathways. Canopy trees shall be selectively pruned in July to thin the interior canopy of cross branching and to shape the canopy of the trees. The Village’s representative shall approve a professional licensed to prune trees under the direction of a Licensed Landscape Architect, Arborist, Tree Surgeon, or other approved profession who shall be responsible for the pruning and sharpening. The work shall be performed per ANSI A300 “Standard Practices for Trees, Shrubs, and other Woody Plant Maintenance” and done in a professional manner in

accordance with “Pruning Standards” of the national Arborist Association or accepted local trade standards and practices.

Palms shall be pruned annually during September of each year to remove all nuts, seed stalks, and brown or dead fronds. However, monthly inspection should be performed to review health and growth rates, remove seed stalks or dangerous conditions such as coconuts, or a dead/damaged frond. Green fronds are not to be removed unless specifically approved by the Village’s representative.

The work shall be done in a professional manner in accordance with Florida’s Best Management Practices. The palms shall not be climbed with tree spikes to remove the fronds. The pruning shall be accomplished by the use of a ladder, boom truck or lift. All debris from the pruning shall be removed and the site shall be left in a clean and neat manner.

When pruning work is being performed with the use of a lift or boom truck, it is required that the adjacent traffic or turn lane to the work area, be closed using traffic control devices and signage per the current FDOT traffic control standards and indexes.

- H. FERTILIZATION: Granular fertilization of shrubs and groundcovers shall be applied by hand in a twelve- inch (12”) wide radius ring around the base of the plants. Granular fertilization of the trees and palms shall be determined by the caliper (diameter) of the trunk and broadcast by hand in a band around the plant’s base from a distance of 12” to the drip line of the palm, whenever possible.

An 8 oz. cup equals one (1) pound. Trees and palms shall receive one (1) cup per one-inch (1”) caliper. Shrubs and groundcovers shall receive one (1) cup per three foot (3’) of height or spread. Shrubs and groundcovers shall receive one-half (1/2) cup per eighteen inches (18”) of height or spread. Fertilizers should have 50 lbs or less of filler per ton of mix. All fertilizer shall be swept off all sidewalks, concrete curbing and paving.

The fertilizer shall be applied as set forth in the following schedule.

Turf Areas and Plant beds containing Shrubs, Groundcovers, and Trees:

Four (4) applications per year per University of Florida research, Florida’s BMPs, and in accordance with Lee County ordinances of the June through September black out period. Turf mix to be 50% Nitrogen (N) or greater in slow release with full turf minors. Plant mix to be 50% or greater in Nitrogen (N) and Potassium (K) with full plant minors.

Palms:

Four (4) applications per year per University of Florida research, Florida's BMPs, and in accordance with Lee County ordinances of the June through September black out period. Palm mix to be 50% or greater in Nitrogen (N) and Potassium (K) with full palm minors. Nitrogen component to be 50% or greater slow release.

Should yellowing occur on the top of the fronds, manganese sulfate will be required and if on the lower fronds, Sul-Po-Mag or equivalent will be required to be applied with the palm fertilizer at the rates specified.

- I. MULCHING: Mulch is to be applied twice a year, November and May to maintain at least 3 inches mulch depth.
- J. LANE CLOSURE: Lane closure for median maintenance shall comply with the most current editions of the FDOT Design Standards.
- K. IRRIGATION SYSTEMS: The irrigation systems shall be checked and repaired as necessary. Monitor and adjust irrigation watering schedule on a weekly basis to maintain turf and plant health. Each zone shall be manually turned on from the controller once a month and a thorough inspection conducted to ascertain proper operations of the system. Quick coupling valves, if existing, shall be reviewed weekly and operated quarterly to insure proper operation. Maintenance responsibilities will include cleaning and adjustment of heads, nozzles, drip irrigation, installation or replacement of risers, repair of minor PVC piping breaks or subsurface piping or restricted sprinkler lines, replacement of damaged valve boxes/lids and adjustment of controller and rain shut off switches for settings and operations. Where required, the Contractor shall maintain on site reclaimed water irrigation signage. A monthly report shall be submitted for the pumps covering their condition and maintenance performed.

SUBSURFACE IRRIGATION SYSTEMS:

No excavation or mechanical metal edging around plant beds shall be done within the Right-of-way. Mechanical metal blade edging is permitted along the back of curbing.

Weekly Service Requirements:

- 1. Inspect system for cuts, leaks, piping damage, and flooded areas. Repair as necessary.

Inspect and re-set controller and in-ground moisture sensor adjustments or other rain sensing devices, as needed.
- 2. System Computer/Controller
 - a. Operate, adjust, and set controller to provide proper system operation.
 - b. Diagnose and repair electrical and mechanical malfunctions.
 - c. Monitor and adjust the system zones moisture levels based upon moisture sensor readings.
 - d. Operate controller on automatic, manual and single trip operation.
 - e. Monitor controller standby battery backup and replace as required.

3. Automatic Control Assemblies and Quick Coupling Valves
 - a. Review control valve assembly and by-pass system for proper settings.
 - b. Open zone control valve assemblies and quick coupling valve boxes to review valves for leaks; pressure gauge operation; proper settings and are clean of debris or mulch.
4. Pump Sites
 - a. Inspect for proper operations.
 - b. The Contractor shall record and provide to the Village's representative the well water flow meter readings for any well locations.
5. Review system water source connections to include water meters, backflow preventers, gate valve points of connection and main lines for proper operation.

Monthly Service Requirements:

1. Automatic Control Valve Assembly
Manually operate valves, and clean valve assembly filters
2. Backflow Assembly
Review assembly for proper operation and clean filter as needed
3. Quick Coupling Valves
Review boxes and operate valve
4. Pump Sites
 - a. Once a month, the Contractor will trouble shoot each pump station, checking amperage draw and document the results for future reference.
 - b. Manually run the system to ensure proper coverage and that no sprinkler head and nozzle are spraying onto the roadway. Clean and adjust sprinkler heads and nozzles and irrigation shields to ensure proper coverage.
 - c. The Contractor will check all zone wiring and solenoid conditions through the use of an OHM meter and document the results for future reference.
 - d. The Contractor will clean the strainers filters and inspect them for wear at the Pump Station.
5. Manually run the system with open flush caps and review sprinkler head indicators located at the end of zones.
6. Review pressure gauge readings at control valve assemblies for each zone, as well as gauges located at the end of zones where present to determine the system and porous piping is functioning properly.
7. Check, analyze and adjust flow control devices as required.
8. Where there is Rust removal system in-line, verify they are operating effectively and that chemicals are at appropriate levels for continued operation. If necessary, contact the rust maintenance company to refill tanks as needed.

Quarterly Service Requirements:

1. Review all subsurface system piping, valve assemblies, wiring, moisture sensors and controllers for overall operation and provide adjustments as required to assure proper operation and irrigation application.

Conventional Pop-up Irrigation Systems:

Weekly Service Requirements:

1. Review the property for signs of deteriorating plant/turf health and manually adjust problem zones from the valve to each head to ascertain proper operation of the system.
2. Repair system for any blown-off heads, broken lines or leaks around heads or valves.
3. Check the controller and rain sensing devices for proper operation and settings.
4. The Contractor shall further adjust all sprinkler heads to ensure that all landscaped areas receive one hundred percent (100%) irrigation coverage.
5. Within all work areas the Contractor shall review the plant material and turf for dry conditions and if found correct the problem.
6. Sidewalks showing rust staining need to have adjacent zones manually adjusted so that no water is being thrown on impervious surfaces. If staining is present, rust removal systems (if applicable) should be verified to be in working order with Village's representative notified.

Monthly Service Requirements:

1. Each zone shall be manually turned on at the valve to ascertain proper operation of the system. As needed, clean and adjust sprinkler heads/nozzles and concrete donuts to ensure proper coverage and that there are no sprinkler heads/nozzles spraying directly onto the roadway.
 - a. Each median and side right-of-way zone shall be manually turned on at the valve to ascertain proper operation of the system.
 - b. Repair system for any blown-off head, broken lines or leaks around heads or valves.
 - c. Check the controllers and rain sensors for proper operation and settings.
 - d. The Contractor shall further adjust all sprinkler heads to ensure that all landscaped areas receive one hundred percent (100%) irrigation coverage with 50% overlap. Flow rates to be reviewed to make sure spray heads have minimal atomizing of water particles. Adjust valve flow to zone as needed to lower PSI to appropriate levels. While 20PSI to 30PSI is typical, system to be reviewed for special conditions as needed.
 - e. Within all work areas the Contractor shall review the plant material and turf for dry conditions and if found correct the problem.
2. If applicable, rust removal system to have chemicals verified to be at adequate levels for continued use. Village's representative to be notified if levels are dropping at a faster rate than anticipated. Maintenance company to be called to inspect system for proper function.

General Service Requirements for Irrigation Systems:

1. Should South Florida Water Management District or other governing agency establish water restrictions, the irrigation systems shall be inspected and all other

controllers set to the mandated hours of operation set by the District or Agency. Subsurface systems are exempt from water restrictions.

2. Replace defective heads or nozzles, install or replace defective risers and repair minor breaks or restricted sprinkler lines.
3. Replace damaged valve boxes/lids if caused by the Maintenance Contractor.
4. Inspect, clean, and replace, if necessary, screen/filters within the sprinkler heads.
5. Keep all grass and mulch out of all valve boxes. All valve boxes in sod areas are to be kept at sod level. All valve boxes in plant beds are to be kept two inches (2") above finished mulch.
6. One hundred percent (100%) irrigation coverage with 50% overlap of all heads shall be maintained within all irrigated landscaped areas.
7. Notification to the Village's representative is required when acts of vandalism or accidents have occurred to the irrigation system. Photos shall be taken and provided to the Village's representative at no added cost.

Miscellaneous Irrigation Maintenance Responsibilities:

1. Should the temperature be forecast to be below thirty-four (34) degrees, the Contractor shall be responsible for turning the irrigation system off in order to protect plants from possible freeze damage.
2. It shall be the Contractor's responsibility to notify the Village's representative of any irrigation problems or additional irrigation maintenance needs.
3. The irrigation service personnel must trouble shoot time clocks, i.e. power-in 110 volt and 24-volt fuses, 24 volts output when necessary.
4. The irrigation services personnel must trouble shoot any pump start relay, main fuses and capacitors when necessary.

L. BRICK PAVERS: All median brick paving shall be pressure cleaned twice per year, in April and November, to remove marks, gum and other dirt that may be deposited on the surface areas. Upon finding damaged areas, the contractor shall clean-up debris if present, and or flag off the areas with protective barriers and/or high visibility hazard tape. Damaged areas must be repaired as quickly as possible.

M. PEST CONTROL: Trees, Palms, Shrubs, Groundcovers, and Sod to be monitored on a weekly basis for pests and diseases and must be treated appropriately by a licensed Pest Control Operator approved by the Village's representative. With the exception of Canary Island Date and Bismarkia Palms which are susceptible to Palm weevils. A monthly bud treatment will be performed for proactive control per University of Florida research and Florida's Best Management Practices.

PUBLIC ENTITY CRIME FORM

This form must be signed and sworn to in the presence of a notary public or other officer authorized to administer oaths.

1. This sworn statement is submitted to _____
(Print name of the public entity)

by _____
(Print individual's name and title)

for _____
(Print name of entity submitting sworn statement)

whose business address is _____

(If applicable) its Federal Employer Identification Number (FEIN) is _____

(If the entity has no FEIN, include the Social Security Number of the individual signing this sworn statement: On the attached sheet.) Required as per IRS Form W-9.

2. I understand that a “public entity crime” as defined in Paragraph 287.133(1) (g), Florida Statutes, means a violation of any state or federal law by a person with respect to and directly related to the transaction of business with any public entity or with an agency or political subdivision of any other state or with the United States, including but not limited to, and bid or contract for goods or services to be provided to any public entity or agency or political subdivision or any other state or of the United States, and involving antitrust, fraud, theft, bribery, collusion, racketeering, conspiracy, or material misrepresentation.

3. I understand that “convicted” or “conviction” as defined in Paragraph 287.133(1) (b), Florida Statutes, means a finding of guilt or a conviction of a public entity crime, with or without an adjudication of guilt, in any federal or state trial court of record relating to charges brought by indictment or information after July 1, 1989, as a result of a jury verdict, nonjury trial, or entry of a plea of guilty or nolo contendere.

4. I understand that “affiliate” as defined in Paragraph 287.133(1)(a), Florida Statutes, means:
1. A predecessor or successor of a person convicted of a public entity crime:
or:
2. An entity under the control of any natural person who is active in the management of the entity and who has been convicted of a public entity crime. The term “affiliate” includes those offices, directors, executives, partners, shareholders, employees, members and agents who are active in the management of the affiliate. The ownership by one person of shares constituting a controlling interest in another person, or a pooling of equipment or income among persons when not fair market value under an arm’s length agreement, shall be a facie case that one person controls another person. A person who knowingly enters into a joint venture with a person who has been convicted of a public entity crime in Florida during the preceding 36 months shall be considered an affiliate.

5. I understand that a “person” as defined in Paragraph 287.133(1) (c), Florida Statutes, means any natural person or entity organized under the laws of any state or of the United States with the legal power to enter a binding contract and which bids or applies to bid on contracts for the provision of goods or services let by a public entity, or which otherwise transacts or applies to transact business with a public entity. The term “person” includes those officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of the entity.

6. Based on information and belief, the statement which I have marked below is true in relation to the entity submitting those sworn statement. (Please indicate which statement applies.)

_____ Neither the entity submitted this sworn statement, nor any officers, directors, executives, partners, shareholders, employees, members, and agents who are active in management of an entity nor affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of the officers, directors, executives, partners, shareholders, employees, member, or agents who are active in management of the entity, or an affiliate of the entity have been charged with and convicted of a public entity crime subsequent to July 1, 1989.

_____ The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, member, or agents who are active in management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime subsequent to July 1, 1989. However, there has been subsequent proceeding before a Hearing Officer of the State of Florida, Division of Administrative Hearing and the Final Order entered by the Hearing Officer determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (Attach a copy of the final order)

I UNDERSTAND THAT THE SUBMISSION OF THIS FORM TO THE CONTRACTING OFFICER FOR THE PUBLIC ENTITY IDENTIFIED IN PARAGRAPH 1 (ONE) ABOVE IS FOR THAT PUBLIC ENTITY ONLY AND, THAT THIS FORM IS VALID THROUGH DECEMBER 31 OF THE CALENDAR YEAR IN WHICH IS FILED. I ALSO UNDERSTAND THAT I AM REQUIRED TO INFORM THE PUBLIC ENTITY PRIOR TO ENTERING INTO A CONTRACT IN EXCESS OF THE THRESHOLD AMOUNT PROVIDED IN SECTION 287.017, FLORIDA STATUTES, FOR CATEGORY TWO OR ANY CHANGE IN THE INFORMATION CONTAINED IN THIS FORM.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.
2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form- LLL, “Disclosure Form to Report Lobbying,” in accordance with its instructions.
3. The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § 1352 (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

The Contractor, _____, certifies or affirms the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, the Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 et seq., apply to this certification and disclosure, if any.
