VILLAGE OF ESTERO, FLORIDA
REQUEST FOR QUALIFICATIONS
FOR
FEMA GRANT MANAGEMENT SERVICES

SCOPE

The Village of Estero is requesting Qualification Statements to provide the Village with services designed to help maximize FEMA funding, expedite the process, and retain funds during project closeout and audit.

VILLAGE BACKGROUND INFORMATION

Estero is located on the southwest Florida coast, in Lee County. Incorporated on December 31, 2014, the first Village Council was elected and took office on March 17, 2015. The Village, with a population of 30,500 full-time residents, prides itself on its interested and involved citizens, small town sense of community, high design standards and quality of life. The peak population (including seasonal residents) is over 46,000 and is expected to grow to over 73,000 by 2035. The demographic profile is older with a median age of 61. However, there is a growing population of school-aged children as well.

The Village prides itself on operating under the “Government-Lite” approach to governing; the goal of which is to deliver high quality government at an affordable rate. Thus far, this goal has manifested itself through the reduction of taxes (four consecutive years, with a constant rate held for FY 20-21) and the development of a substantial operating reserve (now at 12 months of operating reserves).

Located within the Village are 38 gated residential communities, two large regional lifestyle centers (Coconut Point and Miromar), Hertz Arena, Hertz Corporate headquarters, a State park and a large community park.

The Village has thousands of acres of public and private natural areas that are protected as State parks, public lands or private preserve areas. These areas offer tremendous ecological, environmental, recreational and community benefits to the Village.

RANKING OF QUALIFICATIONS

A selection committee comprised of representatives of Village staff will review responses received from interested consultants. From this internal review, firms will be chosen for interviews by the selection committee.

The firm offering the best interview/presentation, in the opinion of the Village, will be offered the opportunity to negotiate a contract. **NOTE: Only the respondents achieving the 3 highest point score totals will be short listed and invited for interviews/presentations. The Village reserves the right to invite firms for an interview/presentation outside of the top 3.**

Points will be assigned as listed above based on the information provided in the Qualifications response. Point score totals will be an average of the points assigned by each committee member with a total maximum score of 100 points (for example, if a firm receives a total of 240 points from three committee members, 240 will be divided by 3 for an average of 80 which would be that firm's point score total).

Selection of the firm for this project will be based on the above criteria and interview results and in accordance with Village of Estero policy. The Village and selected consultant will work collectively to define the final specific scope of services to be provided. If a contract cannot be successfully negotiated with the number 1 ranked firm, discussions will be terminated and a contract will be negotiated with the number 2 ranked firm and so on. Subject to appropriate approvals and successful contract negotiation, the selection committee will recommend that the Village Council authorize the execution of a contract at a subsequent Village Council meeting.

NOTE: Proposed short-list and final selection meeting dates will be posted on the Village of Estero web page at www.estero-fl.gov.
