Future roadway enhancements

**Comments**

So many people use Cockscrew between 41 and 75 that its time for the roadway to be widened. Is this a target for expansion?

traffic

**Comments**

traffic is getting very very heavy all over estero, but living in villa palmeras -right across from the fire house- it is extremely dangerous ...especially from November till April...cars speed on Three Oaks from Williams to Corkscrew...and don't honor leaving a space according to the sign regarding the fire house. We are also one of the few who don't have a turning lane so people are right on your tail when we try to turn...and finally what makes it worse is there are no street lights which makes it extremely dangerous at night. I know Three Oaks is a county road but we do live in and pay taxes to Estero. Please help!!!

thank you
