A number of us in Belle Lago have discussed the recent survey from Engage Estero and, in general, were in agreement concerning the following about local development.

We'd like to have more upscale restaurants with possibly nice outdoor eating areas vs. more fast food and mediocre restaurants. We're not all college students and the community needs to serve current/trending demographics. As evidence of this need, note the waiting lines at Conner's. Additionally, no one wanted more car washes, storage units or car garages (particularly what is being built on prime, beautifully landscaped Estero Parkway) or rows of apartment buildings such as those on Three Oaks. Overall, to minimize driving to Ft. Myers and Naples, we'd like to see Estero retain an upscale look with unique places and spaces to enjoy nearby. We don't want Estero to become just another cookie-cutter community.
