Our family of five would be thrilled to have a Chick-fil-A closer to home in Estero. We fully support this location and plan, and hope that it will be approved.

A recommendation on a add on Whole Foods to a community

Comments (TEXT ONLY) No Pictures or Attachments Accepted

Just a quick suggestion on trying to get a Whole Foods to build-on Ben Hill Rd. Unfortunately, the closest foods is on Daniels in Fort Myers, or in Naples at Mercato. Because of the growing number of new residence in the Estero, I think a whole foods, would be a great add-on to our community.

Wrong location too much congestion!!!
Move to a open lot bigger for easier access
Make them invest in community like Culver's etc

Chick-fil-A at Grande Oaks

Comments (TEXT ONLY) No Pictures or Attachments Accepted

A Chick-fil-A at Grande Oaks would likely create a significant traffic issue. The plaza is already difficult to navigate, and adding a high-traffic restaurant like Chick-fil-A would only worsen the congestion, with spillover likely affecting surrounding roads. Before approving this, I encourage you to visit any Chick-fil-A during lunch or dinner hours to see firsthand how much traffic these locations generate—not just in their lots, but on nearby streets. At such a busy intersection, the impact could be especially problematic. I'm not opposed to new restaurants or even fast food options, but the unique traffic challenges posed by Chick-fil-A deserve serious consideration. Thank you for your time and efforts!

Perkins' lot

The Perkins lot is much too small for Chick-fil-A. Turning into the Shoppes of Grande Oak will become a nightmare, let alone turning onto Ben Hill Griffin Blvd from Corkscrew. With all the new developments further east off of Corkscrew, the traffic turning onto Ben Hill Griffin Blvd is growing exponentially. Please consider another restaurant with a smaller "following".
