regarding ALDI project Newbridge court

Comments (TEXT ONLY) No Pictures or Attachments Accepted

The proposed Aldi project has the semi truck receiving door facing a residential neighborhood in the current plans. This concern was discussed with the ALDI representatives at the Stoneybrook CDD meeting on 11/12/2024. No changes have been made to this area of concern.

We ask that this project be subject to residential noise ordinances considering the current plans and its proximity to the residential housing.

Starting with the 2025-2026 school year, most elementary schools in Lee County, Florida will follow new hours as part of the district's Safe Start Initiative:
Standard Elementary School Hours:
8:40 AM - 3:10 PM
Thus, the traffic study did not include the new start and end times for Pinewoods.

I think building an Aldi is an amazing idea and much needed. Our closest grocery stores are Publix which I love but we need a more economical option for families.

I am also very open to Trader Joe's. We need affordable options for food that is not bad for us.

I know many people are worried about it being next to a school but I am a teacher and have worked at several schools with stores right next to them and it has been fine! Usually Aldi isn't even open until 9 which is after when school begins so traffic on the mornings will not be impacted.

Thank you for your time.

Aldi Store

Aldi -- 11906 Newbridge Court, Development Order (DOS2025-E001) (District 5) Located east of Stoneybrook Golf Drive and south of Corkscrew Road on Newbridge Court.

The Lee County School District has approved NEW start times for all elementary schools. Pinewoods Elementary School will now begin at 8:40 am. The proposed store's opening hour will conflict with an already stressed and overloaded parent drop-off.

As an area resident, I am also turned off by the proximity to the water treatment plant. There is a noticeable odor, which would be a deterrent to grocery shopping.
