Coconut point paint colors

I like the colors the ways they are. If you change them it will clash with all the surrounding esthetics. You have specified the Mediterranean look all over town for years and it looks lovely,. Change is not always better. Don't want to look modern or like Miami.

Painting stores in Coconut Point

**Comments (TEXT ONLY) No Pictures or Attachments Accepted**

Please DON'T paint Coconut Pt. stores all grey & white like every thing else!!! It's sterile, institutional and NOT warm and inviting or attracting! Do something warm and inviting in!!!
