Chick-fil-A at the site of the old Perkins

My family is very much in favor of a Chick-fil-A at the proposed site! It would be so much more convenient than having to go all the way to Alico or 41. There are also not many fast food restaurants nearby that specialize in chicken! This business would do extremely well at this location!

The previous establishment, Perkins, always had a tradition of flying a large American flag. It was always a beautiful site on that corner. Would the new establishment consider maintaining that tradition?
