As such, the Personnel Policies do not constitute terms of an employment contract. Nothing contained in these Personnel Policies should be construed as a guarantee of employment, but rather, employment with the VILLAGE is on an at-will basis. This means that the employment relationship may be terminated at any time by either the employee or the VILLAGE for any reason not expressly prohibited by law. Any written or oral statement to the contrary by a supervisor, employee or other agent of the VILLAGE is invalid and should not be relied upon by any prospective or existing employee.

1-07 Solicitation and Distribution

Solicitation on VILLAGE property can cause employees to neglect their work duties and may interfere with the work of fellow employees. The following rules apply to solicitation or distribution of literature on VILLAGE property. It is not intended to limit or interfere with an employee's Section 7 rights, and if the following rules conflict with any applicable law, the applicable law will prevail.

VILLAGE OF ESTERO

Personnel Policies

- B. VILLAGE employees are expressly prohibited from soliciting any other employee of the VILLAGE on behalf of any political issue or candidate, organization, including any charitable organization, labor union, labor organization or employee organization, during their working hours or the working hours of the employee sought to be solicited.

1-08 Conflicts of Interest

- A. Employees have an obligation to conduct business within guidelines that prohibit actual or potential conflicts of interest. The purpose of these guidelines is to provide general direction so that employees can seek further clarification on issues related to the subject of acceptable standards of business conduct. These regulations are, in some cases, more restrictive, but employees are subject to State Statute and must always comply with the law. For information on the types of transactions that do and/or may create an ethical conflict, employees should consult the Code of Ethics for Public Officials and Employees, set forth in Part III of Chapter 112, Florida Statutes.
- B. The following policy will be adhered to by employees of the VILLAGE in order to avoid misunderstandings and conflicts of interest that could arise:

 2. Employees shall not use or attempt to use their position to secure special privileges or exemptions for themselves or others, except as may be provided by policy and/or law.
 3. Employees shall not accept employment or engage in any business or professional activity that they might reasonably expect would require or induce them to disclose confidential information acquired by them by reason of their official position.

VILLAGE OF ESTERO

Personnel Policies

4. Employees shall not disclose or use information not available to the public obtained by reason of their official position, nor shall they otherwise use such information for their personal gain or benefit of others.

C. An actual or potential conflict of interest occurs when an employee is in a position to influence a decision that may result in a personal gain for that employee or for a relative as a result of VILLAGE's business dealings. For the purposes of this Section, a relative is any person who is related by blood or marriage, or whose relationship with the employee is similar to that of persons who are related by blood or marriage.

1. No "presumption of guilt" is created by the mere existence of a relationship with outside firms. However, if employees have any influence on transactions involving purchases, contracts, or leases, it is imperative that they disclose to the Village Manager as soon as possible, in writing, the existence of any actual or potential conflict of interest so that safeguards can be established to protect all parties. The failure to disclose possible conflicts of interest will subject employees to disciplinary action, up to and including termination of employment.
2. Personal gain may result not only in cases where an employee or relative has some ownership, employment or contract in a firm with which the VILLAGE does business, but also when an employee or relative receives any kickback, bribe, substantial gift, or special consideration as a result of any transaction or business dealings involving the VILLAGE.

D. No official or employee of the VILLAGE shall have any financial interests in the profits of any contract, service or other work performed for the VILLAGE; or shall personally profit directly or indirectly from any contract, purchase, sale or service between the VILLAGE and any person or company.

1-09 Outside Employment

A. VILLAGE employment shall be considered an employee's primary employment and no regular full-time or regular part-time employee may engage in outside employment, whether public, private or self-employment, that would interfere with the interest of the VILLAGE or in any way give the appearance of conflict with his/her VILLAGE employment as may be determined by the Village Manager.

B. Any employee engaging in outside employment shall disclose his or her outside employment to the Village Manager, in writing, before accepting or engaging in other employment.

VILLAGE OF ESTERO

Personnel Policies

C. An employee may hold a job with another organization as long as he or she satisfactorily performs his or her job responsibilities with the VILLAGE AND no conflict of interest exists AND he or she receives written permission from the Village Manager to accept employment outside of the VILLAGE employment. All employees will be judged by the same performance standards and will be subject to the VILLAGE's scheduling demands, regardless of any existing outside work requirements.

D. Any employee accepting outside employment under the terms of this rule shall make arrangements with the outside employer to be relieved from his/her outside duties if and when called for emergency service by the VILLAGE. Every employee who engages in outside employment under this rule shall agree to and shall respond immediately to any emergency call to duty by the VILLAGE, whenever the Village Manager shall determine his/her services to be necessary.

E. Employees sustaining injuries while engaged in outside employment are ineligible to receive benefits under the VILLAGE workers' compensation program on account of disability resulting from the outside employment.

F. Employees engaging in outside employment shall not use VILLAGE equipment, facilities, vehicles, unauthorized VILLAGE employees or contractors, or property of the VILLAGE in the performance of work for the outside employer.

G. If the Village Manager determines that an employee's outside work interferes with performance or the ability to meet the requirements of the VILLAGE as they are modified from time to time, the employee may be requested, in writing, to terminate the outside employment if he/she wishes to remain with the VILLAGE.

H. Outside employment will present a conflict of interest if it has an adverse impact on the VILLAGE. Questions concerning conflicts of interest should be directed to the Village Manager.

I. If an employee is on PTO leave following illness or injury/recovery leave time or workers compensation injury or illness leave time, he/she shall not work in any outside employment activities.

A. The political activity of any VILLAGE employee shall be governed by Florida Statute 104.31, which prohibits employees from using official authority or influence to interfere with elections; and prohibits employees from coercing political contributions from other employees. Employees are also prohibited from participating in any campaign for elective office while on duty.

VILLAGE OF ESTERO

Personnel Policies

B. An employee is not prohibited from expressing his or her opinions on any candidate or issue or from participating in any political campaign during the employee's off-duty hours.

D. Any violation of this Section is grounds for immediate termination.

1-11 Employee Debts

A. An employee's financial transactions are the employee's personal affair. The VILLAGE will not act as a collection agent for an employee or the collection agencies, except for a court ordered garnishment of pay.

B. Should complaints concerning an employee's failure to meet financial obligations result in interference with an employee's job performance or loss of time and effort on the part of other VILLAGE employees, the employee concerned shall be so informed by the Village Manager.

C. Employee debts to the VILLAGE are subject to collection from pay or any other appropriate means.

D. A credit check with the VILLAGE by a financial institution concerning mortgage, personal loan, car loan, etc., will be completed by the VILLAGE where the employee has granted written consent.

VILLAGE OF ESTERO

VILLAGE OF ESTERO

Personnel Policies

2-04 Personnel Data Changes

A. It is the responsibility of each employee to promptly notify the VILLAGE of any changes in personnel data.

1. Employees should be aware of the importance of keeping their personnel file current. This means immediately notifying their administrative officer of any changes; such as, change of address (even if temporary), change of telephone number, change of beneficiary, number of dependents, divorce, marriage or any change of status not previously reported.
2. The Village Manager or designee should be informed of any special training courses completed by an employee. Copies of diplomas or certificates will be copied and forwarded to the Village Manager or designee to become a permanent addition to the employee's personnel file.

B. Failure to notify the VILLAGE of personnel data changes in a timely manner may adversely affect your receipt of important documents, notification of overtime requirements and appropriate benefit coverage for dependents.

2-05 Introductory Period

A. The introductory period is intended to give new employees the opportunity to demonstrate their ability to achieve a satisfactory level of performance and to determine whether the new position meets their expectations. Additional evaluations may be completed during the introductory period as necessary. The employee performance evaluation should be completed pursuant to the employee performance evaluation section of the Personnel Policies manual.

VILLAGE OF ESTERO

Personnel Policies

E. Disciplinary measures are not applicable for initial introductory employees as outlined in the disciplinary section of the Personnel Policies. Infractions of the Personnel Policies will be cause for termination during the introductory period.

2-06 Information Accuracy and Background Check

A. The VILLAGE relies upon the accuracy of information contained in the employment application, as well as the accuracy of other data presented throughout the hiring process as well as post-employment. Any misrepresentations, falsifications, or material omissions in any of this information or data may result in the exclusion of the individual from further consideration for employment. The use of social media may also be used to determine the applicant's or employee's suitability for VILLAGE employment. If the person has been hired, termination of employment may be initiated when a misrepresentation, falsification or omission is found, regardless of the length of time the person has been employed with the VILLAGE.

B. In processing employment applications for certain designated position, the VILLAGE may obtain, with appropriate authorization, a consumer credit report or perform a background check for employment purposes only. If the VILLAGE takes an adverse employment action based in whole or in part on the consumer credit report, a copy of the report and a summary of the employee's rights under the Fair Credit Reporting Act will be provided as well as any other documents required by law.

C. The VILLAGE will check personal and professional references and investigate the accuracy of information concerning education, training, driving record, previous employment and other information, as appropriate, of applicants granted a conditional offer of employment.

2-07 Performance Evaluations

The use and content of Performance Evaluations is at the sole discretion of the Village Manager and may be used, in whole or in part, for the following:

1. Identify training needs.
2. Establish documentation relating to promotion, demotion, disciplinary action, termination, layoff, and recalls.
3. The extension or successful completion of introductory periods.
4. Improve communication between supervisors and subordinates.
5. Help to change behavior and improve performance.
6. Serve as a counseling tool.

Performance evaluations that reflect "unacceptable" ratings as determined by the process will place the employee in a performance improvement period (PIP) status for up to three (3) months at the Village Manager's recommendation.

While the overall ratings on performance evaluations may be at successful levels, the Village Manager is not precluded from initiating disciplinary/corrective/remedial actions to address individual problem areas.

3-00 EMPLOYEE BENEFIT PROGRAMS

3-01 Workers' Compensation

A. The VILLAGE provides a comprehensive workers' compensation insurance program. Refer to the Village's Workers' Compensation Policy as provided by the insurance carrier for details on coverage.

B. Employees are required to immediately report an injury or accident to their supervisor or to the Village Manager. If the injury or accident occurred after normal VILLAGE operating hours, or during an emergency, employees are required to report an injury the next business morning. A report is required regardless of whether the injury required immediate medical attention. Employees may be required to submit to a drug and/or alcohol test following any workplace injury.

C. If the employee is injured on the job and the injury qualifies as a serious health condition under the Family and Medical Leave Act ("FMLA"), the VILLAGE requires that the time off for the workers' compensation injury be counted against the employee's FMLA leave entitlement. Employees may review the separate policy regarding FMLA Leave for additional information.

D. An employee who is absent from work due to a workers' compensation injury must provide a letter from the attending medical practitioner verifying that the employee is fit to return to work and noting any applicable work-related restrictions prior to the employee seeking to return to work.

E. Neither the VILLAGE nor the insurance carrier will be liable for the payment of workers' compensation benefits for injuries that occur during an employee's voluntary participation in any off-duty recreational, wellness, social, or athletic activity sponsored or authorized by the VILLAGE.

F. It is considered a felony of the third degree to knowingly and with intent to injure, defraud, or deceive an employer and /or the insurance company to file a workers' compensation claim containing any false or misleading information.

VILLAGE OF ESTERO

Personnel Policies

3-03 Paid Time Off (PTO)

The VILLAGE's Paid Time Off (PTO) Program allows employees the flexibility to use paid time away from the job to meet the employee's personal needs. PTO may be used for vacation, care of dependents, illness or personal business. The VILLAGE's PTO hours are in addition to Village-designated holidays, jury duty or bereavement leave.

A. RATE OF ACCRUAL

1. On October 1st of each year, all regular full-time employees shall accrue PTO in accordance with the following chart:

LENGTH OF SERVICE	ANNUAL ACCRUALS			
	Directors		Staff Members	
	Hours	Days	Hours	Days
Date of Hire	228.0	28.5	152.0	19.0
Beginning 7 th Year	240.0	30.0	192.0	24.0
Beginning 14 th Year	256.0	32.0	232.0	29.0

2. Any unused PTO will lapse on September 30th of each year, except that Directors may buy-out, that is, be paid for up to forty (40) hours of unused PTO at September 30th, so long as payment is made on or before September 30th in compliance with Village Charter, Section 4 (6) (c), which prohibits unfunded liabilities.
3. Hours of accrual in the chart above are based upon employees who work an eight (8) hour work day.
4. Employees who are hired during the middle of the fiscal year shall accrue PTO on a pro rata basis beginning upon the employee's actual date of hire through September 30 of that year. Village Manager has discretion to establish a new employee's Length of Service Level above the minimum included in the chart above.
5. At the Village Manager's discretion, regular part-time employee may accrue PTO in accordance with the chart above on a prorated basis.
6. Accrued but unused PTO will NOT be paid upon employment termination, whether termination is by resignation, retirement, layoff or involuntary termination.

VILLAGE OF ESTERO

Personnel Policies

B. Eligibility and Scheduling

A regular employee is eligible to use accrued PTO at any time with supervisory approval. PTO will be used in no less than one-quarter hour (15 minute) increments.

Introductory employees may utilize up to zero days (-0- hours) of PTO during the first six (6) months of employment and up to 5 days (40 hours) during the last six (6) months of their introductory period unless otherwise approved by the Village Manager.

Application for PTO leave shall be made in advance. In emergency cases, the Village Manager may waive this requirement. The requirements of an employee's job may require the Village Manager or supervisor to restrict the scheduling of PTO during certain periods of the year.

Any time away from employee's job in excess of available PTO hours will be Leave Without Pay except as provided in Section 3.06. Approval of Leave Without Pay will be considered on a case-by-case basis by the Village Manager.

3-04 Bereavement Leave

A. All full-time employees may be granted, upon approval of the Village Manager, time off with pay, up to forty (40) hours, in the event of a death in their immediate family. Employees who need to take time off due to the death of an immediate family member must notify their supervisor immediately.

1. Bereavement leave shall not be charged to PTO bank.
2. The employee may be required to provide the Village Manager with proof of death in the immediate family, as defined, before payment for the leave is made.

3-05 Court and Jury Duty Leave

A. Employees required to attend court, pursuant to a subpoena, in cases involving their official duties or for jury duty during their normal working hours, shall receive full pay equal to their normal work schedule for the hours they attend court. This time shall be charged as court or jury duty leave with pay.

B. Employees who are required to attend court during their normal work hours in cases not involving their official duties, will be granted leave for their attendance (PTO or Leave Without Pay), if requested in advance.

C. Employees required to attend court during hours other than their normal work hours in cases involving their official duties, will be compensated in accordance with the provisions in the Personnel Policies concerning pay.

VILLAGE OF ESTERO

Personnel Policies

D. All full-time employees subpoenaed to attend court as witnesses during their regularly scheduled work shift, except as paid expert witnesses, for cases in which employees are not personally or monetarily interested, are eligible for court or jury duty leave with pay. Those employees who attend court as parties to the litigation are not eligible for such leave with pay, unless the action is related to their duties with the VILLAGE.

E. Employees required to attend court for only a portion of their regularly scheduled work shift are expected to report to their supervisor when excused or released by the court.

F. The employee may retain all pay received from the court for the jury duty.

G. All court attendance must be verified before an employee is compensated.

3.06 Self-funded Short Term Disability Program

The VILLAGE recognizes that there is a potential for an employee to require extended leave due to personal illness or injury, for which the employee does not have sufficient PTO in his/her bank. Therefore in the unlikely event, the VILLAGE will provide from the annual budgetary appropriation/reserve funds which may be used to pay an employee up to 100% of his/her regular pay rate for up to twelve (12) weeks under the following conditions:

A. Eligibility:

1. The self-funded short term disability program is only payable for the employee's personal illness or injury recovery period, not for the illness or care of immediate family/relative, and
2. An employee's illness or injury recovery period must exceed 14 consecutive calendar days, and
3. The employee must have exhausted his/her PTO prior to receiving self-funded short term disability program benefits, and
4. The employee must provide the Village Manager or designee written doctor's prognosis for the recovery time and anticipated return to work and a second written doctor's prognosis may be required by the Village Manager or designee prior to receiving self-funded short term disability program benefits, and
5. A regular full-time employee is eligible for self-funded short term disability program benefits after completion of six (6) months of continuous employment.

VILLAGE OF ESTERO

Personnel Policies

B. If PTO was exhausted at any time during the 14-day eligibility period, retro- self-funded short term disability program benefits will be paid for 100% of the hours not covered by PTO.

C. If the employee has Short-Term Disability insurance, he/she is not eligible to receive self-funded short term disability program benefits which would result in the employee receiving more than his/her regular salary/wage. Therefore, self-funded short term disability program benefits may be reduced from 100% to an amount when added to the Short-term disability benefits would equal 100% of the employee's regular salary/wage.

D. Pursuant to the Family and Medical Leave Act (FMLA) twelve (12) consecutive weeks is the maximum period for which the VILLAGE will reserve the employee's position, during which time the employee may be compensated using PTO, Short-term Disability benefits and self-funded short term disability program benefits, or a combination thereof.

3-07 Benefits Continuation (COBRA)

A. The Federal Consolidated Omnibus Budget Reconciliation Act (COBRA) gives employees and their qualified beneficiaries the opportunity to continue health insurance coverage under the VILLAGE's benefit plan when a "qualifying event" would normally result in the loss of eligibility. Some common qualifying events are resignation, termination of employment, or death of an employee; a reduction in an employee's hours or a leave of absence.

B. Under COBRA, the employee or beneficiary pays the full cost of benefit coverage at the VILLAGE's group rates. Each eligible employee will be provided with a written notice describing rights granted under COBRA when the employee becomes eligible for coverage under the VILLAGE's health insurance benefit plan. This notice contains important information about the employee's rights and obligations.

C. Employees have the responsibility to notify the Village Manager when a COBRA qualifying event occurs that would not be common knowledge to the VILLAGE. Failure to notify the VILLAGE of a qualifying event in a timely manner could seriously impact the health insurance coverage of an otherwise eligible person.

3-09 Deferred Compensation Plan

A. The VILLAGE provides employees the option to contribute funds to deferred compensation plan (457-B) on a tax-deferred basis. This plan is designed for a pre-withholding tax deduction from the employee's paycheck to be deposited into their personal account. These funds cannot be withdrawn until termination of employment. The employee pays this contribution.

3-10 Retirement Plan

A. The VILLAGE provides defined contribution (DC) retirement plan. Each regular full-time employee is eligible for participation in the DC Plan. The VILLAGE will contribute seven and one-half percent (7.5%) of the employee's base pay contingent upon the employee contributing two and one-half percent (2.5%) of the employee's base pay. Both VILLAGE and employee's contributions to the retirement plan will be made bi-weekly, with the exception of the initial plan contribution made by the VILLAGE and the employee upon the initial adoption of the plan.

- B. Hours worked are recorded by the employee on a written timesheet for each pay period. The Supervisor reviews and approves the Timesheets for his/her employees and forwards to the Finance department for payroll processing.
- C. Exempt employees shall record use of PTO by notifying the Finance department of their approved leave dates.
- D. Altering, falsifying, tampering with time records, or recording time on another employee's time record may result in disciplinary action, up to and including termination of employment.

4-03 Compensation

A. PAY RATES

1. The budget process will annually determine the type, amount and distribution of employee compensation. If pay adjustments are budgeted, all or a portion of the compensation adjustment may or may not be added to the employee's base pay. The VILLAGE Manager also has the discretion to provide different pay adjustments to different positions and to make other performance incentive adjustments as deemed appropriate, so long as any adjustments to pay are consistent with the requirements of the Florida Statutes.
2. A cost of living adjustment (COLA) may be considered annually. The COLA may be considered part of the pay increase.

B. MERIT BONUSES / PERFORMANCE INCENTIVE PAY

The VILLAGE Manager may, on occasion, further reward high achieving employees. Such a reward could be a salary adjustment, a bonus, performance incentive or a non-monetary reward such as public recognition or time off. Such programs would be funded by a yearly allocation set by VILLAGE Council during the budget process, and will be administered by the VILLAGE Manager. Criteria for merit bonuses to individuals or groups of employees include, but are not limited to: meritorious service to the VILLAGE; cost savings ideas; and/or successful implementation of special projects.

4-04 Job Descriptions

A. Official job description titles are to be used for all personnel. No person will be appointed to or employed in a position under a title without a Job Description.

B. All positions authorized in the VILLAGE will have an official job description. Job descriptions are to be interpreted in their entirety. Particular phrases and illustrative examples are not to be isolated and treated as a full definition of any position. Job descriptions are deemed to be descriptive and explanatory of the kinds of work performed and not necessarily inclusive of all duties performed. The Village Manager may revise a job description.

4-05 Special Pay Situations

A. PAYMENT FOR CALL-OUT

Regular employees in non-exempt classifications who are called out to work during off-duty hours, which are not contiguous to the regularly scheduled work shift, will receive a minimum of one (1) hour pay at time and one-half. Time and one-half will be paid for hours actually worked, if longer than the one-hour minimum.

VILLAGE OF ESTERO

Personnel Policies

B. PAYMENT FOR CALL OUT (EXEMPT)

Special situations and/or circumstances may occur that require many extended hours of work by exempt employees (examples are pre-event, actual event and post Hurricane-event call out.) During extended working hours beyond the normal weekly operations, overtime at time and one-half may be approved for exempt employees by the VILLAGE Manager. Historically the Federal Emergency Management Agency (FEMA) has reimbursed government agencies for exempt overtime payroll cost.

Reaching those worthwhile objectives will automatically result in benefits to all employees working for the VILLAGE. Accidents, injuries, disabilities, damage, lost time and pay, claims and medical expenses, and improper and dangerous use of equipment, are all operational problems which will be greatly improved by joint safety efforts.
3. The Village Manager, supervisors and employees are all responsible for working safely. The VILLAGE Safety Coordinator is designated by the Village Manager and will recommend appropriate training and perform routine worksite safety inspections. The Safety Coordinator will notify the subject to the Village Manager or designee of any observed problems, in writing, with a recommendation for resolution.

D. RETURN TO WORK

1. An injured employee who was injured on duty and who has been treated by a medical provider **MAY NOT RETURN TO WORK** without a return to work slip from the medical provider.
2. If an employee is returned to work on a Light/Restricted duty basis, the return to work slip must state specifically the nature of limitations and/or restrictions. An effort should be made by the department to accommodate the employee's return to work. Request for light duty status must be submitted to the Village Manager in writing and will be reviewed on a case by case basis, but light duty may not be available and will be dependent upon the essential functions of the position held as well as the nature of any medical restrictions

E. SAFETY EQUIPMENT AND DEVICES

1. The VILLAGE will provide proper and necessary safety equipment and devices, as recommended by the equipment manufacturer, and training, for employees engaged in work where such special equipment and devices are necessary. Such equipment and devices, where provided, must be used. Failure by employees to utilize provided equipment or devices as directed will be subject to disciplinary measures, and a reduction in workers' compensation benefits as indicated in Florida's Worker's Compensation Laws.
2. Seat Belts
 - a. Florida's Mandatory Seat Belt Law requires all front seat passengers to wear their seat belts whether on or off the job. It also constitutes a safety violation of a safety requirement pursuant to the Personnel Policies. **Mandatory** for all employees and volunteers regardless of seating position.
 - b. Employees who become injured on the job who were not using their seat belt at the time of injury are subject to a reduction in workers' compensations benefits available under Florida's Workers' Compensation Law.

VILLAGE OF ESTERO

Personnel Policies

B. The use of tobacco is prohibited in any building or area owned, operated, occupied, or used by the VILLAGE and includes all types of tobacco and tobacco-like products, including smoke and smoke-less tobacco, chewing tobacco, and other smoke able products, and electronic cigarettes.

5-03 Hours of Work

A. The VILLAGE Manager shall establish the hours of work, taking into account the service needs of the public.

B. The normal non-exempt shift schedule shall be five (5) eight (8) hour days, Monday through Friday. However, the Village Manager may permit employees to work four (4) ten (10) hour days on a case-by-case basis as long as VILLAGE operations are available Monday through Friday.

C. Additional work hours may be required of all employees.

D. The VILLAGE recognizes that the hours of individual employees can be somewhat flexible beyond regular business hours. In order to provide the best service possible to the community as efficiently and cost effectively as possible, the following guidelines will be followed.

1. The VILLAGE business hours as determined by the VILLAGE Manager are from 8:00 A.M. to 5:00 P.M., Monday through Friday, except approved holidays.
2. The Village Manager may adjust days if it is determined to be in the best interests of the VILLAGE, the community, and the employee.

E. Village Manager is responsible for:

2. Ensuring that each shift is adequately staffed and that there will always be a VILLAGE employee available in the department to assist the public during regular business hours.
3. Ensuring that a lunch break of no less than 1/2 hour of uninterrupted time is taken.
4. Ensuring employees work the required number of hours in their regularly scheduled workweek or pay period.
5. Ensuring that employees maintain and document accurate information on timesheets and other payroll records regarding actual hours worked.

VILLAGE OF ESTERO

Personnel Policies

5-04 Attendance

- A. To maintain a safe and productive work environment, the VILLAGE expects an employee to be reliable and to be punctual in reporting for scheduled work. Absenteeism and tardiness place a burden on other employees and on the VILLAGE. Each Supervisor shall be responsible for the punctual attendance of all employees in the VILLAGE.
- B. Employees are expected to report for duty at their scheduled times. Attendance will be an element to be evaluated in the performance appraisal process.
- C. Where appropriate, a supervisor may require notification prior to the beginning of the scheduled shift if an employee will be absent or tardy.
- D. Habitual, chronic or excessive absenteeism or tardiness shall be sufficient reason/cause for disciplinary action.

5-05 Overtime

- A. OVERTIME
 - 1. In the event a non-exempt employee is required to work additional hours beyond/outside his/her regularly scheduled normal work week or pay period, he/she shall receive overtime pay for the additional time worked at the rate of time and one-half the employee's regular straight time rate of pay.
 - 2. All overtime worked must have prior authorization by the immediate supervisor or the Village Manager. In the event that an employee works overtime without prior authorization, the employee will be paid for all time worked, but will be subject to disciplinary action for failing to obtain the appropriate approval for overtime work.
 - 3. A non-exempt employee shall not have his/her normal work hours reduced or adjusted to avoid the payment of overtime.
 - 4. The VILLAGE Manager, in extraordinary and extenuating circumstances, may approve overtime pay for exempt employees (see Section 4-06 B.)

VILLAGE OF ESTERO

Personnel Policies

5-06 Meal Periods

- A. All full-time employees are provided with one (1) meal period each workday. Supervisors will schedule meal periods to accommodate operating requirements.
- B. Designated meal periods will not be less than ½ hour in duration. Employees will be completely relieved of duty during their designated meal period.
- C. Non-exempt employees are required to take their full meal period each work day unless otherwise directed by their supervisor. Employees who are unable to take their full meal period, or in the event that an employee's meal period is interrupted by work duties, the employee must report that missed lunch break to the Finance Department so that the employee may be paid for that time. Employees who fail to report their missed meal periods to the Finance Department will be subject to appropriate disciplinary action.

5-07 Error in Pay

All payroll deductions will be made in accordance with the Fair Labor Standards Act and all applicable federal, state and local laws. The VILLAGE takes every precaution to avoid errors in employee paychecks, but occasionally an error may occur. If this happens, employees should contact the Finance Department. If an improper deduction has been made, or if there was another error in the amount paid to the employee, the error will be corrected and the employee will be reimbursed for any amount of pay due.

5-08 Cell Phone Guidelines

Each employee of the VILLAGE will either be issued a cell phone or will utilize his/her personal cell phone for official VILLAGE duties.

- A. Any VILLAGE issued cell phone is to be used for VILLAGE business. Personal calls shall not disrupt VILLAGE business unless due to an emergency. This restriction also includes cell phones that are personally owned, as well as those assigned by the VILLAGE. Personal calls on the VILLAGE cell phones are the responsibility of the employee. Long distance calls should be limited to VILLAGE business. Employees who are assigned a VILLAGE cell phone are required to take appropriate precautions to prevent theft and vandalism of all VILLAGE equipment.
- B. Using a cellular telephone while operating a vehicle is strongly discouraged. Employees should plan calls to allow placement of calls either prior to traveling or while on a break.
- C. As approved by the Village Manager, in lieu of being issued a VILLAGE cell phone for the performance of assigned duties, an employee may request to use his/her personal cell phone.

VILLAGE OF ESTERO

Personnel Policies

D. If the request to use a personal cell phone in lieu of a VILLAGE-issued cell phone approved by the Village Manager, the VILLAGE will reimburse the employee \$50 per month for the use of his/her personal cell phone.

E. During an emergency situation, such as a hurricane or other extraordinary circumstances, when cell phone usage is beyond normal, actual work related cell phone costs may be reimbursed as determined appropriate by the Village Manager.

F. Employees who receive permission to utilize their personal cell phone to conduct VILLAGE business are prohibited from using text messages to conduct VILLAGE business. Any employees using their personal cell phones to conduct VILLAGE business must do so through either making telephone calls or accessing their VILLAGE e-mail account to send and receive messages.

5-09 Use of VILLAGE Equipment and Vehicles

A. Equipment and vehicles essential in accomplishing job duties are expensive and may be difficult to replace. When using property, employees are expected to exercise care, perform required maintenance, and follow all operating instructions, safety standards, and guidelines. An employee shall not use VILLAGE property, equipment or vehicles except in the performance of official duties, nor permit its use by an unauthorized person, either on or off duty.

B. Employees will notify their supervisor if any equipment, machines, tools, or vehicles appear to be damaged, defective, or in need of repair. Prompt reporting of damages, defects, and the need for repairs could prevent deterioration of equipment and possible injury to employees or others. A supervisor can answer any questions about an employee's responsibility for maintenance and care of equipment or vehicles used on the job.

C. The improper, careless, negligent, destructive, or unsafe use or operation of equipment or vehicles, as well as excessive or avoidable traffic and parking violations, can result in disciplinary action, up to and including termination of employment. Employees will be personally responsible for fines incurred as a result of driving or parking violations or infractions while operating a VILLAGE vehicle.

D. It is necessary for many VILLAGE employees to have VILLAGE vehicles at their disposal in order to carry out their duties. It is essential that these vehicles be used with utmost care and discretion at all times. Most VILLAGE vehicles are distinctively marked and the way they are operated directly reflects on the public image of all VILLAGE employees.

E. VILLAGE employees are permitted to use VILLAGE-owned vehicles for the performance of their official duties only; under no circumstances are they to be used for personal business or pleasure, except as otherwise approved by the Village Manager.

VILLAGE OF ESTERO

Personnel Policies

- F. The VILLAGE shall annually request a transcript of driver record from the Department of Highway Safety and Motor Vehicles in Tallahassee for each employee who operates or may have to operate VILLAGE owned vehicles. The driver record will be reviewed to ensure employees have a valid Florida license and to evaluate recorded violations. This will assist the VILLAGE in identifying potential problems, liabilities and training needs.
- G. If a VILLAGE vehicle is involved in an accident, the employee shall immediately notify the proper law enforcement agency, and the Village Manager or designee.
- H. Employees who damage vehicles or equipment who are at fault may be subject to a monetary penalty.
- I. Employees who are authorized to drive a VILLAGE vehicle, or who drive their personal vehicle on VILLAGE business, are required to notify the Village Manager in the event that their driving privileges are revoked.

5-10 Severe Weather and Emergency Situations

- A. The VILLAGE is subject to severe weather conditions, especially in the form of tropical storms, hurricanes, tornadoes and floods. It is crucial to the safety and welfare of the citizens that there be sufficient VILLAGE services available during and after severe weather conditions, weather emergencies and in emergency situations to provide for guidance and protection of persons and property. This is also applicable to the time period following a severe weather condition in which the VILLAGE is in a recovery phase and may have to conduct operations with unusual scheduling requirements, away from the VILLAGE's existing building and facilities for an indefinite period of time.
- B. It is, therefore, necessary to balance the normal concerns for the convenience and well-being of VILLAGE employees against the obligations of the employees and the VILLAGE to the public safety and welfare. In light of these considerations, the following policies will be in effect during severe weather conditions, including, but not limited to, tropical storms, hurricanes and floods.
1. Expectations—All VILLAGE employees are considered "essential" for the daily operations in severe weather conditions. All employees are expected to maintain an awareness of emergency situations, especially during the hurricane season (June 1st through November 30th), and to make prearranged contingency plans for the protection of their families and property.
 2. General Rule Concerning Severe Weather Conditions and Emergency Situations-- Unless on prearranged leave, all employees are expected to report for their regularly scheduled work shift, unless and until the Village Manager specifically and officially declares that the VILLAGE will no longer respond to emergency due to deteriorating weather conditions. PTO leave may be canceled and "Essential Personnel" may be recalled from PTO by the Village Manager.

6.00 EXTENDED LEAVES OF ABSENCE

6-01 Family and Medical Leave

A. The Federal Family Medical Leave Act (FMLA) applies to the employees of the VILLAGE as follows:

1. Employees who have worked for the VILLAGE for at least twelve (12) months and at least 1,250 hours during the prior twelve (12) months may take up to twelve (12) weeks of unpaid leave per twelve-month period for the following reasons:
 - a. Birth and/or care of a child of the employee.
 - b. Placement of a child into the employee's family by adoption or by a foster care arrangement.
 - c. In order to care for the employee's spouse, child or parent who has a serious health condition.
 - d. A serious health condition, which renders the employee unable to perform the functions of the employee's position.
2. In the case of leave for the birth or placement of a child, intermittent leave or working a reduced number of hours is not permitted, unless both the employee and the VILLAGE agree. If the VILLAGE employs both spouses, the combined leave shall not exceed twelve (12) weeks.
3. In the case of leave for a serious health condition, the leave may be taken intermittently or on a reduced hours basis.

B. During designated Family Medical Leave, the VILLAGE will continue to pay its portion of the core health insurance premium and the employee must continue to pay his/her share of the remaining premium for dependent coverage, if any. Failure of the employee to pay his/her share of the health insurance premium may result in loss of coverage. If the employee does not return to work after the expiration of the leave, the employee will be required to reimburse the VILLAGE for payment of health insurance premiums during the Family Medical Leave, unless the employee does not return because of the presence of a serious health condition which prevents the employee from performing his/her job or circumstances beyond the control of the employee.

C. Employees must first exhaust all accrued paid time off before going into a non-paid status unless they have Short Term Disability coverage. During any unpaid period, the employee shall not accrue leave benefits such as PTO leave.

VILLAGE OF ESTERO

Personnel Policies

- D. Short Term Disability coverage may be utilized if applicable.
- E. Employees who return to work from family leave of absence within or on the business day following the expiration of the twelve (12) weeks are entitled to return to their job or an equivalent position without loss of benefits or pay. EXCEPTION -- If a key employee's (as defined by FMLA) absence will disrupt VILLAGE business and cause "substantial and grievous economic injury" to the operations, he/she does not have to be reinstated.
- F. Requests for Family Medical Leave must be submitted in writing. Requests should be submitted at least thirty (30) days before the leave is to commence, or as soon as possible if thirty (30) days' notice is not possible. Employees requesting Family Medical Leave to care for an immediate family member may be required to provide the VILLAGE with the appropriate medical certification.
- G. The VILLAGE may designate other specific absences of employees, such as extended medical leave and a drug and alcohol rehabilitation absence, as leave authorized under the Family Medical Leave Act. Such designations will be made in writing to the employee.
- H. Following a Family Medical Leave period related to pregnancy and childbirth, an employee may be eligible for additional leave, without pay, for purposes of childcare. In such cases, the combination of the PTO leave and the additional period for childcare leave should not exceed 12 weeks in total.
- I. Family Medical Leave for Family Members of Injured Military Personnel and to Family Members of Military Reservists Called to Active Duty:
 - 1. Family Members of Injured Military Personnel. Up to 26 weeks of unpaid FMLA leave in a 12-month period may be requested and must be granted to employees caring for family members wounded in the course of military duty. Intermittent leave is also authorized, but employees have just 12 months to take the leave.
 - a. Regular FMLA leave counts toward the 12-month allotment.

VILLAGE OF ESTERO

Personnel Policies

- (5) Attending to funeral and estate matters should the service member die while on active duty

J. The VILLAGE may require medical certification to support a FMLA leave request either to care for an employee's seriously-ill family member, or for personal medical leaves due to a serious health condition.

K. Employees must provide such certification from the health care provider within 15 calendar days, unless it is not practicable to do so under the circumstances. A certification for medical leave must include a statement that the employee "is needed to care for" a seriously-ill family member, in the case of an employee's serious health condition, a statement that the employee is unable to perform the essential job functions of the position.

L. If an employee fails to provide timely certification within 15 days of being asked to do so by the VILLAGE, and the need for leave was foreseeable, the VILLAGE may deny the employee leave until the required certification is provided. If the need for leave is not foreseeable, the employee must still attempt to provide the certification with 15 days of the VILLAGE's request, or as soon thereafter as practicable under the circumstances.

M. The VILLAGE may require and pay for a second medical opinion. If the first and second opinions differ, the VILLAGE, again at its own expense, may require the binding opinion of a third health care provider who is approved jointly by the employee and the VILLAGE. Similarly, during an employee's leave, the VILLAGE may require subsequent recertification regarding the employee's status and intent to return to work.

VILLAGE OF ESTERO

Personnel Policies

N. Before an employee on personal medical leave pursuant to the FMLA leave can return to work, the VILLAGE may require a fitness-for-duty certification from the health provider stating that the employee has sufficiently recovered so as to be able to perform his or her normal job duties. The VILLAGE may require a fitness-for-duty certification no more than once every thirty days. An eligible employee who takes FMLA leave is entitled to be restored to the same position that the employee held when the leave started or to an equivalent position. Certification will be maintained in confidential medical files.

B. Leave without pay is intended for circumstances where the employee has exhausted accrued leave and the employee has good cause for requesting the leave without pay.

C. Other than retaining the original date of hire, no benefits, including PTO leave accrual, will accumulate during any unpaid leave of absence that exceeds five (5) workdays.

D. While on leave without pay, except as provided in Section 6-01, Family and Medical Leave, health insurance benefits will be continued only if the employee remits to the VILLAGE the total premium amount, which includes both the VILLAGE and the employee's share. If coverage is canceled during an approved leave of absence, it will be reinstated upon return to active duty after observing the thirty (30) day waiting period prescribed for new employees.

6-03 Military Leave of Absence

A. A military leave of absence will be granted to all employees, regardless of status, who are absent from work because of service in the U.S. uniformed services in accordance with the Uniformed Services Employment and Reemployment Act (USERRA).

B. Leaves of absence for military or reserve duty are granted to full-time and regular part-time employees in accordance with applicable state and federal law. If an employee is called to active military duty, or to serve or national guard training, or if an employee volunteers for the same, the employee should submit copies of any military orders to his or her supervisor as soon as is practicable. 3. Fitness for Duty. Substance abuse testing is conducted for all employees who receive a physical fitness exam as a routine part of their job.
4. Random
The VILLAGE will conduct random drug tests only as permitted by law.
5. Post-Accident
Employees may be required to submit to a drug and/or alcohol test with regard to any workplace injury that requires medical treatment away from the property.
6. Follow-Up
If the employee, in the course of employment, enters an employment assistance program for drug related problems or a drug rehabilitation program, the VILLAGE will require the employee to submit to a drug test as a follow-up to such program, unless the employee voluntarily entered the program. In such case, the VILLAGE has the option to not require follow-up testing. If follow-up testing is required, it will be conducted at least once a year for a two-year period after the completion of the program. Advance notice of the follow-up testing date will not be given to the employee who is to be tested.

F. Confidentiality

All information, interviews, reports, statements, memoranda and drug-free results through the VILLAGE's drug testing program will be treated as confidential to the extent required by law, except as consented to by the employee or applicant.

G. Use of Prescription and Non-Prescription Medications

Each tested individual shall report, on a confidential basis, to the Medical Review Officer (MRO), the use of prescription or non-prescription medications both before and after being tested. A form will be provided to each individual to list such medications. This form should only be filled out at the collection facility not at the VILLAGE. Additionally, such medications may be disclosed orally to the MRO after being tested, if contacted by the MRO. The individual must not disclose such medications or provide the form requesting such information to any VILLAGE employee. The VILLAGE has attached to this policy a list of the most common medications by brand, common and if applicable, chemical name, which may alter or affect a drug test. (See Appendix A). The individual can consult a testing laboratory for additional information about medication that will affect a drug test result.

H. Positive Drug Test Results

Any employee or job applicant who receives a positive confirmed drug test result may contest or explain the results to the MRO (and the VILLAGE) within five (5) working days after written notification of the positive test results. If an employee or job applicant's explanation or challenge is unsatisfactory to the MRO (and the VILLAGE), the Medical Review Officer shall report a positive test result back to the VILLAGE, and that the person may contest the drug test pursuant to Florida law, and has a right to appeal to the Public Employee Relations Commission or applicable court.

I. Employee Assistance Programs and Local Drug Rehabilitation Programs

The VILLAGE encourages all employees who need assistance in dealing with alcohol or drug dependency problems to seek counseling through the various private and public agencies that exist in our community. Examples of such agencies are listed below. Employees who come forward to request treatment or a leave of absence for treatment will not be subject to discipline. Employees may not, however, escape discipline by first requesting such treatment or a leave of absence after being selected for testing or violating VILLAGE policies and rules of conduct. Requests for voluntary treatment and related matters will be kept confidential in accordance with federal and state laws.
