Pedestrian Greenway Along Corkscrew Road & Via Coconut Point Road

ARCHITECTURE

- **Precedent-setting Design** – The Italianate architecture will set a quality standard for the Village Center.
- **360-Degree Urban Look. No rear Elevations** – The 4-sided building design creates street-front, lake-front and park-front elevations without any rear elevation. A truly urban look.
- **Stealth Parking. No Parking Lots.** – Buildings are 3 residential levels over a parking level. All resident and visitor parking is indoors, completely hidden from public view.
- **Stealth Security. No Perimeter Walls.** – In lieu of walls Genova uses the garage level of residential buildings, fencing hidden in landscaping and lakes to provide necessary security.
- **Sustainable Design for Future Mixed-use.** – The design of the liner buildings provides for possible future conversion to low-impact commercial uses (professional office or low-traffic shops) if and whenever Via Coconut Point Road becomes a local urban streetscape with on-street parking.

SOCIAL VITALITY

- **1/3 Mile of Public Pedestrian Greenway** – The landscaped “walk & stop” frontage along Corkscrew Road and Via Coconut Point Road with 9 trellised areas for sitting, gazing, painting and conversation invites personal interaction within the public space.
- **Public Linear Park along Corkscrew Road** - 1/8 mile linear park with meandering sidewalk, sculptures, 4 trellised sitting areas and extensive landscaping. Approximately 1/3 acre of newly created public space.
- **Public Pocket Park and Future Bus Stop on Via Coconut Point Road** – A beautifully landscaped and trellised sitting area and possible future transit stop.
- **Public Lakeside Sitting Areas** – 4 sitting/viewing/painting areas along Via Coconut Point Road overlooking 2 acres of lakes, bridges and sculpture.
- **Not Age-Restricted. Diverse Housing** – Housing alternatives for working professionals without children (Empty-nesters and DINK Millennials) as well as aging Baby Boomers downsizing.

LANDSCAPING

- **Canopy Trees & Picnic Areas within Estero Community Park** – Along the east and south sides of Genova.
- **Larger Trees for More Mature Streetscapes** – 18 ft Black Olive canopy trees along Corkscrew Road and Via Coconut Point Road to accelerate a mature urban look and provide shade for pedestrians.
- **Plantings, Irrigation and Maintenance of Via Coconut Point Road Median Landscaping** – Canopy trees, palms, bushes and under-plantings of the Via Coconut Point Road median from Corkscrew Road to the proposed new park entry (just south of Genova).
- **Jack-and-bore and Irrigation for Via Coconut Point Road Median** – 1/4 mile from Corkscrew Road to the proposed new park entry.
- **Interweaving Public ROW and Genova Setbacks** – Integrating the Corkscrew Road and Via Coconut Point Road ROWs with Genova's hardscape and landscaping to create a more inviting street-side environment.

CONNECTIVITY

- **Pedestrian Gates Promote Walkability** – 7 pedestrian gates connect residents to Corkscrew Road, Estero Community Park and Via Coconut Point Road and discourage “use of a car” for neighborhood trips.
- **Transit Ready** - Four pedestrian gates along Via Coconut Point make Genova ready for mass transit whenever it arrives.
- **Front Doors on Via Coconut Point Road** - 3 residential building entrances along Via Coconut Point provide direct connection to the public realm.
- **Sidewalks are interconnected** – All Genova roads are lined with sidewalks and all Genova sidewalks interconnect with public sidewalks.
- **Within a Vibrant Mixed-Use Pedestrian Shed** – Genova is within 200 ft of two office parks, one block from Publix, 4 banks, gas stations and restaurants and adjacent to Estero Community Park.
- **Non-resident Access Without Compromising Security** – Main-entry access is available to non-resident pedestrians during daylight hours and to non-resident vehicular traffic by appointment, both subject to proof of a valid driver’s license with photo ID.
- **\$100,000 Contribution to Future Estero Community Park Entry** – Genova Partners LLC will contribute \$100,000 towards the construction of the new entrance to Estero Community Park from Via Coconut Point (just south of Genova).

ECONOMIC

- **Increased Local and Regional Employment** – Genova will generate \$71 million (more than Hertz) of local employment and \$180 million of regional employment.
- **\$2.1 million in Village and County Impact Fees** – Genova will pay a total of \$2,170,000 in impact fees. \$820,000 to Lee County and \$1,350,000 to the Village of Estero.
- **Annual Property Tax Revenue** – Genova homeowners will pay \$1.2 million annually in property taxes.
- **Primary Residents' Local Spending** - Most Genova homeowners will be primary residents spending year-round in the local Estero market.
