

Asbestos Notification Affidavit

The National Emission Standards for Hazardous Air Pollutants (NESHAP) 40 CFR 61, Subpart M, requires written notification 10 working days prior to a demolition and 10 working days prior to any removal of regulated asbestos containing material (RACM). This rule also requires that an asbestos survey be completed prior to any renovation or demolition to determine if asbestos containing materials are present.

I, _____ (Applicant), understand the requirements stated above, and I have completed these requirements prior to acceptance of this building permit. I further understand that there are additional asbestos rules which may apply to me, and I have read, and understand these requirements.

Under penalties of perjury, I declare that I have read the foregoing ASBESTOS NOTIFICATION AFFIDAVIT and that the facts stated in it are true.
