(d) Public Information Meetings:

(1) Coconut Point Adult Living Facility (District 6) - East of U.S. 41 and south of Pelican Colony Boulevard. Plans to construct two carports north and south of the entry off Murano Del Lago Drive.

Applicant requested continuance for the next meeting.

(2) Coastal Village (District 3) – North of Estero Parkway and east of Three Oaks Parkway – Plans to construct an 800 square foot metal storage building on the southeast corner of Coastal Village, adjacent to the internal roadway and dumpster.

Community Development Director Gibbs provided a brief explanation.

Presentation/Information by:

Paul Gannon, Coastal Village, and Mike McGuire, Carolina Carports, provided information regarding the construction of an 800 square foot metal storage building, and responded to questions from Board Members.

Questions or Comments by: Chairman O'Donnell and Board Members Prys, Anderson, and Simons.

Discussion included photographic evidence of relationship to other buildings on the property as well as neighboring lots; the purpose of the building; whether the applicant was aware of the architectural code; whether there would be a rollup door; fire ingress

and egress; pavement; and height of the structure. The Board commented that the architectural design, as presented, raised questions on how it met the community standards. KH Revised 5/25/16

Community Development Director Gibbs noted that she initially had concern with the proposed metal shed and that the applicant was seeking helpful advice. Brief discussion followed related to the architectural code.

Public Comment: None.

- (3) Trina Dupay – Outside Kitchen – VAR2015-00025 (District 4) – Variance from the side yard setback for the construction of an outdoor kitchen in the rear of 9188 Estero River Circle located in the Estates at Estero River, east of US 41 and south of Broadway Avenue.

Development Review Manager McCarthy explained that the final decision for a setback variance would be made by the Planning and Zoning Board. He also noted that the outdoor kitchen was built without a permit and that the original application was filed with Lee County in 2015.

Presentation/Information by:

Terry Eaton, Sam Negri, and Trina Dupay addressed the purpose for the outside kitchen and responded to questions from Board Members.

Questions or Comments by: Chairman O'Donnell and Board Members Prysi, Jones, Whitehead, and Simons.

Discussion included pavers; non-structural walls; pervious and impervious surface; concern regarding setting precedent; whether the neighbors had an issue with the outdoor kitchen; the concrete deck; propane fuel for the kitchen; lot coverage; water flow and storm water management; and eaves encroaching on the property line. It was noted that the applicant should provide photos for the public hearing. The Board commented that the application raised questions regarding sufficient hardship. KH Revised 5/25/16
